

## Neometals Successfully Closes A\$7.9 Million Placement and Announces A\$5.1 Million Entitlement Offer

Innovative project developer, Neometals Ltd (ASX: NMT, OTCQX: NMTAY) ("**Neometals**" or "**the Company**"), is pleased to announce that it has received firm commitments from sophisticated, professional and institutional investors for a two-tranche placement of 197.5 million new fully paid ordinary shares ("**New Shares**") at A\$0.04 per New Share to raise approximately A\$7.9 million (before costs) ("**Placement**").

Neometals Managing Director Chris Reed commented:

*"We are pleased to announce the Entitlement Offer and conclusion of the Placement which was supported by new and existing sophisticated investors and institutions. The capital raising will support progression of the Barrambie gold, US lithium/potassium brine and Finland vanadium recovery projects, while further developing our downstream lithium processing technology."*

### Placement

A total of 71,875,000 New Shares will be issued under tranche 1 of the Placement at a price of A\$0.04 per New Share ("**Offer Price**") under Neometals' ASX Listing Rule 7.1 placement capacity ("**Tranche 1**"). A total of 125,625,000 New Shares will be issued under tranche 2 of the Placement at the Offer Price, subject to shareholder approval at an extraordinary general meeting ("**EGM**") to be held on or around Friday, 29 May 2026 ("**Tranche 2**"). The total number of New Shares to be issued under the Placement represents approximately 26% per cent of the Company's existing issued share capital (prior to the issue of the New Shares).

New Shares issued under the Placement will rank equally with existing Neometals ordinary shares from their date of issue.

Settlement of Tranche 1 of the Placement is scheduled to occur on Tuesday, 28 April 2026. Allotment and normal trading of the New Shares under Tranche 1 of the Placement is scheduled to occur on Wednesday, 29 April 2026. New Shares issued under the Placement do not have rights to participate in the Entitlement Offer.

The Company's ordinary shares are expected to resume trading on the ASX from market open today.

### Entitlement Offer

Neometals is also undertaking a 1 for 6 pro rata non-underwritten, non-renounceable entitlement offer to eligible shareholders in Australia and New Zealand ("**Eligible Shareholders**") to raise up to approximately A\$5.1 million (before costs) ("**Entitlement Offer**").

Eligible Shareholders as at the Record Date of 5pm (Perth time) on Friday, 24 April 2026, with a registered address in Australia or New Zealand, will be invited to participate in the Entitlement Offer at the Offer Price (being the same price as the Placement). The Entitlement Offer is expected to open on Wednesday, 29

April 2026 and close at 5pm (Perth time) on Wednesday, 13 May 2026 unless extended. As the Entitlement Offer is non-renounceable, entitlements will not be tradeable or otherwise transferable. Shareholders in the United States are not eligible to participate in the Entitlement Offer.

### Director Participation

All eligible Neometals Directors intend to participate in the Entitlement Offer either directly or through their associated related entity. Greg Evans, a director of Neometals, will participate in Tranche 2 of the Placement, subject to shareholder approval pursuant to ASX Listing Rule 10.11.

### Use of funds

Proceeds from the Placement and Entitlement Offer, together with existing cash on hand, will be primarily used to fund the following:

- Activities at the Barrambie Gold Project, including funding Neometals' share of Ironclad pre-development activities, Ironclad North resource extension and infill drilling, and high priority and brownfields prospects including Silver Linings, Woodies and Rinaldi Copper;
- Project evaluation activities at the US Lithium-Potash Brine JV including release of an exploration target, bulk sampling for DLE pilot plant, well sampling to define and release a maiden JORC Resource and completion of a Scoping Study;
- Lithium and vanadium technology research & development activities; and
- Corporate and working capital purposes.

## About Neometals Ltd

Neometals' purpose is to deliver stakeholder value by enabling the sustainable production of valuable and critical materials essential for a cleaner future. The Company is advancing a portfolio of high-quality mineral assets and commercialising proprietary lower-cost, sustainable processing technologies.

The Company's upstream mineral assets comprise:

- **Barrambie Gold (100% NMT)** – Camp-scale gold project in the Murchison Goldfield with strong brownfields upside. An updated Mineral Resource Estimate, Scoping Study and a JV with a mining contractor provide a potentially funded pathway to near-term development of the Ironclad deposit with 50:50 profit sharing.
- **Barrambie Titanium and Vanadium (100% NMT)** – one of the world's highest grade hard-rock titanium deposits, currently in a divestment process.

- **Utah Brine Project (51% NMT)** – controlling interest in a >80,000-acre lithium and potassium brine project in Utah, USA. Exclusive access to and use of inactive gas wells, with existing infrastructure supporting the potential for rapid, capital-efficient exploration and evaluation. Strong alignment with U.S. critical minerals policy and potential for streamlined federal permitting and grant funding.

The Company's processing technology portfolio comprises:

- **Lithium Chemicals (70% NMT)** – patented ELi Process™, targeting lowest quartile cost production of battery-grade lithium chemicals utilising electrolysis. Strategic MoU with Rio Tinto for testing support and licensing discussion, in collaboration with electrolyser supplier, De Nora.
- **Vanadium Recovery (86.1% NMT via Novana Oy)** – wholly-owned hydrometallurgical processing technology targeting production of low-cost, high-purity vanadium pentoxide from steel by-products. Novana Oy advancing project financing for its first commercial plant in Pori, Finland.
