

## PACIFIC SOFTWARE, INC. PRESS RELEASE

### FOR IMMEDIATE RELEASE

#### **PurMinds Enterprises, Inc. (formerly Pacific Software, Inc.) Appoints Angelo Pizzuto as CFO, COO, Secretary, and Treasurer to Lead PCAOB Audit and Commercialization Phase**

**LAS VEGAS, NV – May 4, 2026** – PurMinds Enterprises, Inc. (OTC: PFSF) (the "Company"), a clinical-stage neuroscience company, today announced that **Angelo Pizzuto** has been appointed Chief Financial Officer, Chief Operating Officer, Secretary, and Treasurer, effective immediately. Mr. Pizzuto succeeds James DiPrima, who has resigned to pursue other professional ventures. Mr. DiPrima will remain available in an advisory capacity during the transition to ensure continuity throughout the upcoming audit period.

Mr. Pizzuto has been a core member of the leadership team for the past three years at the Company's operating entity, **10763942 Canada Inc. (aka PurMinds NeuroPharma "PurMinds")**. His deep familiarity with the Company's operations and his leadership through its strategic development make him uniquely qualified to lead the Company's financial and operational strategy moving forward.

**Strategic Mandate: PCAOB Audit and Commercialization** Mr. Pizzuto's immediate mandate is to lead the Company through its **PCAOB audit** over the next 2-3 months. To ensure total transparency and audit readiness, PurMinds has engaged an **independent third-party accounting firm** to prepare technical accounting memos and perform a rigorous internal review of the Company's financial records prior to the formal audit commencement.

Furthermore, Mr. Pizzuto will oversee the commercialization of various high-value opportunities within the Company's operating entities and will support the CEO in strategic capital-raising initiatives, including private placements under **Regulation S and Regulation D**, to fund the Company's clinical and commercial milestones.

"Jim has been a dedicated steward during our transition, and we wish him the very best," said Janet Qi, CEO of PurMinds. "Angelo has been with us on the front lines for three years, helping navigate the 'path to here.' His appointment ensures a seamless transition as we finalize our audit, initiate our capital strategy, and move toward our next phase of corporate growth."

**About PurMinds Enterprises, Inc.** PurMinds is a precision neuromedicine company developing breakthrough solutions for neurological and psychiatric disorders while developing and commercializing a 4P Medicine platform (predictive, preventive, personalized and participatory) through an exclusive partnership with SpectroChip, the world's first-of-its-kind lab-on-a-chip technology. **Forward-Looking Statements** This press release contains forward-looking statements regarding the Company's audit timelines, commercialization efforts, and potential capital raises. These statements are based on current expectations and are subject to risks and uncertainties that could cause actual results to differ. The Company undertakes no obligation to update these statements should circumstances change.
