

## **GNCC CAPITAL, INC. CONFIRMS STOCK POSITIONS AND NO DILUTION**

Las Vegas, NV, September 13, 2021, GNCC Capital, Inc. (GNCP.PK) (“The Company” or “GNCP”) confirms that our “Securities Positions” as reflected on the OTC Markets are unchanged, a link: <https://www.otcmarkets.com/stock/GNCP/security>.

The Company is Transfer Agent Verified with the OTC Markets meaning that these stock numbers are accurate and up to date.

No further shares have been issued and we have not received any additional request(s) to convert any additional shares of our Preferred Stock into Common Stock. The last request was made and executed upon July 28, 2021.

The Company has absolutely no idea as to why in excess of 12 billion last week and today, 3 billion shares of our Common Stock were traded in the market.

Those whom are suspecting or assuming dilution by our Company; are wholly incorrect.

Our shareholders are welcome to verify this information with our Transfer Agent.

We trust that this puts these allegations to rest and that our shareholders will no longer need to contact us to request this information.

### Forward Looking Statements:-

This press release may contain forward-looking statements. The words "believe," "expect," "should," "intend," "estimate," "projects," variations of such words and similar expressions identify forward-looking statements, but their absence does not mean that a statement is not a forward-looking statement. These forward-looking statements are based upon the Company's current expectations and are subject to a number of risks, uncertainties and assumptions.

The Company undertakes no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. Among the important factors that could cause actual results to differ significantly from those expressed or implied by such forward-looking statements are risks that are detailed in the Company's filings, which are on file with the OTC Markets Group.
