

## **Cyberlux Corporation (OTC: CYBL) Achieves OTC Markets Pink Current Information Status and Sets Course for Next Milestones**

***The Company is now Pink Current Information on the OTC Markets and confirms the next Operation Alpha milestones for the CYBL community.***

**RESEARCH TRIANGLE PARK, N.C. (September 14, 2021)** – Today, Cyberlux Corporation, (OTC: CYBL), a leading provider of LED lighting, renewable energy, and active technology solutions, announced that the Company has met all the requirements and is listed now on the OTC Markets as Pink Current Information.

Cyberlux Corporation CEO Mark Schmidt stated:

"The Cyberlux team is excited to be in full compliance with all the OTC Markets Pink requirements through our Disclosure statements and Financial filings. As a Pink Current Information company, Cyberlux Corporation has met both the OTC Markets and the SEC deadlines, and we will continue to operate and trade on OTC Markets going forward. We can now turn our full focus to executing Operation Alpha and achieving the Q3 and Q4 milestones we have set. We will be publishing our IR deck as soon as current organizational events are finalized, and expect our next acquisition announcement in early Q4, along with product announcements, additional acquisitions in the pipeline, and new business in both the U.S. and South America. We see an exciting next year of growth ahead!"

The Company's Operation Alpha growth plan has three priorities: (1) drive growth through aggressive business development, acquisitions and joint ventures; (2) address core target markets with DoD products, new specialty technology capabilities, solar and renewables, and with emerging infrastructure projects; and (3) gain immediate business velocity by achieving OTC Pink Current Information status, continuing to build out the Company's organization, focusing on the new business and the new product pipeline, accelerating the South American projects and driving on our strategic IP development.

In earlier Company communications, Cyberlux established its quarterly growth milestones with the following priorities:

1. OTC Pink Current ASAP - Complete
2. Build the Organization - Key Hires Q3
3. Contracts Pipeline – Q3/Q4
4. Acquisition Priorities – Q3 Complete / Q4
5. Products – Q3/Q4
6. South America Pipeline – Q3/Q4
7. Strategic IP – Q4

Moving forward, Cyberlux is harnessing the future through fundamental organic growth, through acquisitions and joint ventures, and through the commercialization of future technology developments. Cyberlux Corporation is actively pursuing partnerships with Unmanned Aerial System (UAS) technology companies and drone service providers.

### **SAFE HARBOR STATEMENT**

This press release contains forward-looking statements that can be identified by terminology such as "believes," "expects," "potential," "plans," "suggests," "may," "should," "could," "intends," or similar expressions. Many forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results to be materially different from any future results implied by such statements. These factors include, but are not limited to, our ability to continue to enhance our products and systems to address industry changes, our ability to expand our customer base and retain existing customers, our ability to effectively compete in our market segment, the lack of public information on our company, our ability to raise sufficient capital to fund our business operations, our ability to continue as a going concern, and a limited public market for our common stock, among other risks. Many factors are difficult to predict accurately and are generally beyond the company's control. Forward-looking statements speak only as to the date they are made, and we do not undertake to update forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements are made.
