Nexteligent Management Comments on OTC Markets Yield Sign

NEW YORK, September 15, 2021 – [Nexteligent Holdings, Inc.](#) (OTC:NXGT)

The Following Statement is from Nexteligent Management:

We requested an update from OTC Markets regarding our yield sign and why it remains five days after we submitted our amended filing.

Following are the key points from our call with OTC Markets this morning, Wednesday, September 15, 2021:

- There has been an influx of companies seeking review in advance of the September 28th deadline by the SEC for public information required for companies whose stock is publicly traded.
- As a result of increased workload at the OTC, the normal turnaround of five business days is taking longer.
- Nexteligent Holdings, Inc. is fully compliant, even with the current yield sign, and the September 28th deadline has no bearing on our company.

Also, please note that the issue identified by OTC Markets which required us to submit an amended filing is not material and required a simple correction to an entry of a stockholder's total shares, which did not affect the Total Outstanding Share total.
