

# CRYPTO CURRENCIES AND NFT SEMINAR

## ProTek Capital Inc. – SHAREHOLDERS Updates.

Dallas, Texas—October 8, 2021. ProTek Capital Inc., (OTCPK: PRPM) ("the Company")

Today, the company ProTek Capital Inc., (PRPM), and its wholly owned subsidiary Black Dragon Resources Inc., (BDGR), present:

The company has launching its registration portal: <https://black-dragon.online/shareholders/> so any shareholder with any shares owned as of "Record Date" dated 9/30/2021, stamped and dated on or before 12 am EST, can submit their amount and value position at the portal, and follow the instructions on how to receive the B\$D tokens.

### SHAREHOLDERS UPDATES:

This is a formal announcement and an invitation for all our shareholders. We will be hosting an event, a meet and greet on October 17, 2021. We believe that all our shareholders need to have a day of fun and education focused on the new and emerging NFT, Crypto Currencies, Digital coins, and Tokens.

Recently, both companies, (PRPM and BDGR), received a tremendous number of inquiries, questions, and posts regarding the current dividends. The main theme is "an explanation as to how the process works, and how the dividends will be distributed to the shareholders".

The company will stay transparent and continue to report and disclose its progress and development of the 2021 business plan, audits, filings updates, closures on more acquisitions and financial growth.

#### Forward-Looking Statements:

The information posted in this release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. You can identify these statements by use of the words "may," "will," "should," "plans," "expects," "anticipates," "continue," "estimate," "project," "intend," and similar expressions. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected or anticipated. These risks and uncertainties include, but are not limited to, general economic and business conditions, effects of continued geopolitical unrest and regional conflicts, competition, changes in technology and methods of marketing, delays in completing various engineering and manufacturing programs, changes in customer order patterns, changes in product mix, continued success in technological advances and delivering technological innovations, shortages in components, production delays due to performance quality issues with outsourced components, and various other factors beyond the Company's control.

#### Safe Harbor Statement:

This release includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. Certain statements set forth in this press release constitute "forward-looking statements." Forward-looking statements include, without limitation, any statement that may predict, forecast, indicate, or imply future results, performance or achievements, and may contain the words "estimate", "project", "intend", "forecast", "anticipate", "plan", "planning", "expect", "believe", "will likely", "should", "could", "would", "may" or words or expressions of similar meaning. Such statements are not guarantees of future performance and are subject to risks and uncertainties that could cause the company's actual results and financial position to differ materially from those included within the forward-looking statements. Forward-looking statements involve risks and uncertainties, including those relating to the Company's ability to grow its business. Actual results may differ materially from the results predicted and reported results should not be considered as an indication of future performance. The potential risks and uncertainties include, among others, the Company's limited operating history, the limited financial resources, and domestic or global economic conditions -- activities of competitors and the presence of new or additional competition and conditions of equity markets.
