**LAGUNA BEACH, CA /December 3, 2021** Code Green Apparel Corp. (OTC PINK: CGAC)

As CGAC continues to navigate the new regulations imposed by the OTC Markets, they would like to announce the addition of Caren Currier as the new COO. "We feel that the addition of Caren Currier as the COO will bring the consistency and oversight that CGAC needs in facilitating a merger. Caren's business knowledge and input will be highly valued" stated George Powell, CEO of Code Green Apparel. Her experience in the market is crucial to our future plans. She is highly respected and brings a wealth of knowledge in all aspects of accounting and the requirements to facilitate a merger. This announcement is a significant step in the pursuit of CGAC merger plans.

Caren has over 25 years of experience in accounting. Caren started her professional career helping her father with his construction company. While attending college, Caren was invited to intern with a CPA firm that had a number of construction firms as clients. This experience resulted in Caren's pursuit of a career in cost accounting. Caren Currier serves as a Consultant/CFO/CEO for several OTC companies. We are pleased that Caren has decided to join the CGAC management team.
