

## **Code Green Apparel Announces that they will be joining forces with Dysfunctional Rehabilitation**

**LAGUNA BEACH, CA /May 18, 2022** Code Green Apparel Corp. (OTC PINK: CGAC)

As CGAC continues to struggle the new regulations imposed by the OTC Markets, and the ability to bring a viable business model into the company, we have decided to join forces with Dysfunctional Rehabilitation to be able to merge a new business model into our company” stated George Powell, CEO of Code Green Apparel.

The management team of Dysfunctional Rehabilitation has had great success in finding private companies that wish to merge with a publicly traded company in order to have their brands exposed to the OTC community. Caren Currier, COO stated “that while we will continue to search for an Eco-Friendly company, we will also look for a company that will make the most sense for our shareholders.

### **About Code Green Apparel Corporation**

The company endeavors to lead the market revolution that brings environmentally superior products to market at cost-neutral price points. Code Green Apparel intends to lead that revolution by providing regenerated textile solutions that effectively conserve water, reduced chemical applications and lessen the impact of disposing production waste products in landfills or incinerators. Code Green products include corporate Logo Wear, Uniforms and other Eco-Friendly Sustainable Textile products. More information on Code Green Apparel is available at:
