#### Note 1 - History and Accounting Methods:

#### a. Organization

Diamond Lake Minerals, Inc. (the Company) was incorporated in the State of Utah on January 5, 1954 under the name of G & L Equipment Co., Inc. It later changed its name to G & L Energy, Inc. on August 10, 1982. The Company operated as a Yamaha motorcycle dealership and ceased doing business in 1983. All assets and liabilities were liquidated by 1985 and the Company became inactive.

On November 30, 1993, the Company acquired all of the issued and outstanding stock of Graphite Mountain, Inc. (an Ontario, Canada corporation) ("Graphite") in exchange for 16,812,000 of the Company's common stock. Graphite was formed on November 1, 1990 and changed its name to Diamond Lake Minerals, Inc. The acquisition of Graphite Mountain, Inc. was recorded as a recapitalization of Graphite Mountain, Inc. whereby the acquired company is treated as the surviving entity for accounting purposes.

In and around 2000, the Company ceased operations and began seeking out merger candidates. On May 2, 2013, Crystal Creek Capital, LLC ("Crystal") instituted legal proceedings, resulting in a change of control, after which time the Company began looking for a new business purpose or opportunity.

On July 1, 2016, the Company effected a change of control and new officers and directors were appointed on August 16, 2016. In November 2016, the Company acquired 100% of the membership interests in Tioga Industries, LLC, a Washington State entity whose business operations consists of contract sales of aggregates and scoria, and custom crushing of the same for the oil and gas industry and general construction projects, primarily in the states of North Dakota, Montana and Washington.

On December 2017, DLMI acquired 50.1% of Production Consulting, LLC. Production Consulting is the land development business. On February 1, 2018, Production Consulting purchased certain assets of Golden Developing through the company J26 Advisors, LLC, which is wholly owned by Production Consulting LLC.

#### b. Accounting Method

The Company's financial statements are prepared using the accrual method of accounting. The company has adopted a calendar year end.

Notes to financial statement continued:

#### c. Cash Equivalents

The company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

#### d. Principles of Consolidation

The operations of Diamond Lake Minerals, Inc. consists of consolidating DLMI with its subsidiaries - Tioga Industries, LLC and Production Consulting, LLC, including its subsidiary J26 Advisors, LLC. See note 6 for more information.

#### Note 2 - Operations

There were no operations in 2016 outside those of Tioga Industries LLC. In December 2017, Production Consulting, LLC was acquired and its operations are now consolidated with Tioga Industries. On February 1, 2018, Production Consulting, LLC acquired J26 Advisors, LLC, a glass installation company located in Phoenix, Arizona.

#### Note 3 - Subsequent Events

a. The Company has evaluated subsequent events through 5-15-2018, the date which the financial statements were available to be issued, and noted the following material change.

The acquisition of Production Consulting, LLC was signed December 8, 2017, however the stock was not issued until February 22, 2018. The stock ownership as of 3-31-2018 is shown as follows:

The director and management stock ownership after this transfer is as follows:

|                          | <u>Board</u> | <u>Executive Title</u> | Shares Owned |
|--------------------------|--------------|------------------------|--------------|
| Jerry Morrell            | Director     | CEO / VP               | 3,000,000    |
