Reason for Delay in Posting Financial Report: State below in reasonable detail why the Annual/Quarterly Report could not be filed within the prescribed time period.

On March 10, 2020 and on March 25, 2020, OTC Markets released Official Notices granting and extending conditional filing relief for companies affected by the Coronavirus. Under these Notices, ARS reporting companies have been granted an additional 45 days to file certain disclosure reports that would otherwise have been due between March 1 and July 1, 2020. The Company is relying on these Official Notices in filing this Notification of Late Filing. Restrictions imposed as a result of the Coronavirus have hindered the Company's officers, management, and outside professionals in their ability to conduct the work required to prepare the Company's financial report and disclosure statement for the quarter ended February 29, 2020. The Company expects to file within the extension period provided under the Official Notices.

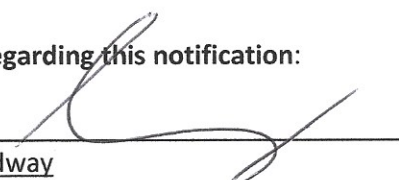

Anticipated Filing Date:

[Please note that the filing of this notification grants issuers 5 additional calendar days to post a Quarterly or Interim Report and 15 calendar days to post an Annual Report.]
