

Alternative Reporting Standard: Pink® Basic Disclosure Guidelines

Federal securities laws, such as Rules 10b-5 and 15c2-11 of the Securities Exchange Act of 1934 (“Exchange Act”) as well as Rule 144 of the Securities Act of 1933 (“Securities Act”), and state Blue Sky laws, require issuers to provide *adequate current information* to the public markets. With a view to encouraging compliance with these laws, OTC Markets Group has created these Pink Basic Disclosure Guidelines (“Guidelines”).¹ These Guidelines set forth the disclosure obligations that make up the “Alternative Reporting Standard” for Pink companies. These Guidelines have not been reviewed by the U.S. Securities and Exchange Commission or any state securities regulator, although OTC Markets Group as a matter of policy welcomes comments from these and other regulators. We use information provided by companies under these Guidelines to designate the appropriate tier in the Pink Market: Current Information, Limited Information or No Information.² The information provided by companies under these Guidelines is subject to our [Privacy Policy](#).

These Guidelines may be amended from time to time, in the sole and absolute discretion of OTC Markets Group, with or without notice.

On February 22, 2019, the Company announced that its Board of Directors has approved a 750 million share buyback, as part of its previously announced share buyback program. The goal of the share buyback program is to reduce the total outstanding shares of common stock by up to 80%. Under the buyback program, NSAV is authorized to repurchase shares through open market purchases, privately-negotiated transactions, block purchases, fixed price tender offers, or otherwise, in accordance with applicable federal securities laws. The Company will begin Phase 1 of its share buyback program through privately-negotiated transactions, which will commence immediately, with an initial amount of 250 million shares. The Company is presently in negotiations with several large NSAV shareholders and hopes to repurchase shares in the near future.

At the time of this filing, no NSAV shareholders have expressed interest selling their shares of common stock back to the Company in privately-negotiated transactions. The Company has also not repurchased any of its shares of common stock through open market purchases due to the lack of available cash and not being current on its filings with OTC Markets. At the time of this filing, the Company has not repurchased any shares of its common stock from the proposed share buyback program. The Company is uncertain as to if and when it will be able to repurchase shares of its common stock.

The Company had originally announced the commencement of its share buyback program on September 7, 2018. However, at that time, the Company was not current on its filings with OTC Markets and management took the decision to delay the commencement of its share buyback program until it was current.

On September 7, 2018, the Company announced that it has commenced a share buyback program. The goal of the share buyback program is to reduce the total outstanding shares of common stock by up to 80%. Under the buyback program, NSAV is authorized to repurchase shares through open market purchases, privately-negotiated transactions, block purchases, fixed price tender offers, or otherwise, in accordance with applicable federal securities laws. The Company intends to pay for share repurchases using a variety of methods, including cash, preferred shares, shares in publicly traded subsidiaries, debt and with other resources at its disposal.

On August 30, 2018, the Company acquired a 25% stake in New Jersey based, T.C. High Tech Herb, Inc., which manufactures liver purifier supplements, from Ms. Jane Zheng, an officer of the Company. The products are known commercially as LIVER PURIFIER. As Ms. Zheng is an officer of the Company, the purchase price for the acquisition will be determined after an independent commercial valuation and if necessary, a fairness opinion. As of the date of this filing, no independent commercial valuation or fairness opinion has begun. As of the date of this filing, no compensation has been paid to Ms. Zheng for her stake in T.C. High Tech Herb, Inc.

On August 3, 2017, the Company announced that it intended to spin-off 20% of Hemp Beer Inc. (a private, Colorado corporation) to its shareholders, who would be awarded with a share dividend based upon their holdings of NSAV on the record date. Shareholders would receive approximately one share of Hemp Beer Inc. common stock for every 17 shares of NSAV common stock that they hold on the September 8, 2017 record date. It was intended that the dividend would be payable on or about September 22, 2017, but as of the date of this filing, the dividend had not yet been issued
