CADUCEUS SOFTWARE SYSTEMS CORP.
Notes to the Financial Statements
September 30, 2020
(Unaudited)

NOTE 1 - NATURE OF OPERATIONS

The Company was incorporated under the laws of the State of Nevada, U.S. on December 13, 2006 under the name Bosco Holdings Inc. On March 1, 2011, the Company changed its name from Bosco Holdings Inc. to Caduceus Software Systems Corp. On July 6, 2018, the Company redomiciled from the State of Nevada to the State of Wyoming.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation
The accompanying unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

In the opinion of management, all adjustments necessary to present fairly the financial position as of September 30, 2020 and the results of operations and cash flows presented herein have been included in the interim financial statements. All such adjustments are of a normal and recurring nature. Interim results are not necessarily indicative of results of operations for the full year.

Cash and Cash Equivalents
For purposes of Statements of Cash Flows, the Company considers all highly liquid debt instruments purchased with a maturity date of three months or less to be cash equivalents.

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Recent accounting pronouncements
The Company has implemented all new accounting pronouncements that are in effect. These pronouncements did not have any material impact on the financial statements unless otherwise disclosed, and the Company does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations. The Company is also evaluating the potential impact of new standards that have been issued but are not yet effective.

NOTE 3 - GOING CONCERN

The accompanying unaudited financial statements have been prepared assuming that the Company will continue as a going concern. For the six months ended September 30, 2020, the Company had no revenue and had a net loss of $46,836. In view of these matters, the Company's ability to continue as a going concern is dependent upon the continued financial support from its management, its ability to identify future investment opportunities and obtain the necessary debt or equity financing, and its ability to grow operations and to achieve a level of profitability. The Company intends on financing its future development activities and its working capital needs largely from the sale of public equity securities and debt financing. However, there can be no assurance that these arrangements will be sufficient to fund its ongoing capital expenditures, working capital, and other cash requirements. These factors raise substantial doubt regarding the Company's ability to continue as a going concern. The unaudited financial statements of the Company do not include any adjustments relating to the recoverability and classification of recorded assets, or the amounts and classifications of liabilities that might be necessary should the Company be unable to continue as a going concern.

NOTE 4 - LOANS PAYABLE

As of September 30, 2020, the Company owes an unrelated third party $15,579 carried over from the fiscal year end in 2016. The loan is non-interest bearing, and due on demand.

As of September 30, 2020, the Company owes $10,321 to two unrelated third parties carried over from the fiscal year end in 2016. The loan is non-interest bearing, and due on demand.

As of September 30, 2020, the Company owes $73,250 to XBRL Associates, Inc. in connection with accounting, filing, and other management and consulting services provided over the last 2 fiscal years.
