QUARTERLY REPORT Q2
For the Period Ending: June 30, 2021
(the "Reporting Period")

As of June 30, 2021, the number of shares outstanding of our Common Stock was:

1,423,083,157

As of March 31, 2020, the number of shares outstanding of our Common Stock was:

1,423,083,157

As of December 31, 2020, the number of shares outstanding of our Common Stock was:

1,423,083,157

Indicate by check mark whether the company is a shell company (as defined in Rule 405 of the Securities Act of 1933 and Rule 12b-2 of the Exchange Act of 1934):

Yes: ☐ No: ☒

Indicate by check mark whether the company's shell status has changed since the previous reporting period:

Yes: ☐ No: ☒

Indicate by check mark whether a Change in Control¹ of the company has occurred over this reporting period:

Yes: ☐ No: ☒

¹ "Change in Control" shall mean any events resulting in:

(i) Any "person" (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) becoming the "beneficial owner" (as defined in Rule 13d-3 of the Exchange Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by the Company's then outstanding voting securities;

(ii) The consummation of the sale or disposition by the Company of all or substantially all of the Company's assets;

(iii) A change in the composition of the Board occurring within a two (2)-year period, as a result of which fewer than a majority of the directors are directors immediately prior to such change; or

(iv) The consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation.

1) Name of the issuer and its predecessors (if any)

In answering this item, please also provide any names used by predecessor entities and the dates of the name changes.

AURI INC.

Wellstone Filters, Inc.

Wellstone Filter Sciences, Inc. 9/30/2009

Auri, Inc. 04/14/2011

Date and state (or jurisdiction) of incorporation (also describe any changes to incorporation since inception, if applicable) Please also include the issuer's current standing in its state of incorporation (e.g. active, default, inactive):

Auri Inc.

Status: Active

Sub Status: Current

Describe any trading suspension orders issued by the SEC concerning the issuer or its predecessors since inception:

None

List any stock split, stock dividend, recapitalization, merger, acquisition, spin-off, or reorganization either currently anticipated or that occurred within the past 12 months:

None

The address(es) of the issuer's principal executive office:

1712 Pioneer Ave. Cheyenne, WY 82001

-

The address(es) of the issuer's principal place of business:

Check box if principal executive office and principal place of business are the same address: ☐

3) Issuance History

The goal of this section is to provide disclosure with respect to each event that resulted in any direct changes to the total shares outstanding of any class of the issuer's securities **in the past two completed fiscal years and any subsequent interim period**.

Disclosure under this item shall include, in chronological order, all offerings and issuances of securities, including debt convertible into equity securities, whether private or public, and all shares, or any other securities or options to acquire such securities, issued for services. Using the tabular format below, please describe these events.

A. Changes to the Number of Outstanding Shares

Check this box to indicate there were no changes to the number of outstanding shares within the past two completed fiscal years and any subsequent periods: ☐

Shares Outstanding as of Second Most Recent Fiscal Year End: <u>Opening Balance</u> Date <u>12/31/2018</u> Common: <u>1,003,946,700</u> Preferred: _____			*Right-click the rows below and select "Insert" to add rows as needed.						
Date of Transaction	Transaction type (e.g. new issuance, cancellation, shares returned to treasury)	Number of Shares Issued (or cancelled)	Class of Securities	Value of shares issued (\$/per share) at Issuance	Were the shares issued at a discount to market price at the time of issuance? AURI, INC.
Notes to Financial Statements
FOR THE 3 MONTHS ENDED June 30, 2021

NOTE 1 - Organization and Nature of Business History

Wellstone Filters, LLC (Wellstone) was organized as a Delaware limited liability company on February 17, 1998. On May 25, 2001, Wellstone Filters, Inc. (formerly Farallon Corporation) acquired Wellstone. In September 2009, Wellstone changed its name to "Wellstone Filter Sciences, Inc." The Company was engaged in the development and marketing of a proprietary cigarette filter technology.

On February 14, 2011, we entered into a Merger Agreement and Plan of Reorganization with Auri Design Group, LLC and its members, pursuant to which Auri Design Group, LLC merged with and into Auri, our wholly owned subsidiary.

On March 25, 2011, we filed a Definitive Schedule 14C with the SEC and commenced mailing the Schedule 14C to our stockholders of record on March 7, 2011. The Schedule 14C relates to a change in our name from Wellstone Filter Sciences, Inc. to Auri, Inc., which was approved by our Board of Directors and consented to by stockholders owning in excess of a majority of our outstanding common stock. The name change became effective on April 14, 2011, twenty (20) days after we commenced mailing the Schedule 14C to our stockholders.

On July 14, 2014, the Company re-domiciled to Wyoming.

In August 2014, Auri acquired Phoenix Fulfillment Group LLC and the associated Hong Kong company, Phoenix Fulfillment Group Limited. Phoenix Fulfillment Group markets art and other décor products to major retail customers throughout North America.

In September 2019, Auri acquired Evap Inc. a company with patent pending technology to assist with one of the biggest issues in the oil and gas industry, "PRODUCED WATER". The technology can take produced saltwater and turn it into a steam cleaner than most cities tap water by removing most of the metals, suspended solids, and chlorides that are extremely harmful to the environment from the vapor. With our technology in the oil field we feel it will help reduce large truck fatalities and injuries, environmental contamination, and earthquakes in certain areas due to SWD wells. Evap Inc. will also help oil and gas companies bottom line due to the fact we can evaporate for less than it cost to haul produced water in most circumstances.

NOTE 2 - Summary of Significant Accounting Policies, Principles of Consolidation

The accompanying consolidated financial statements for Auri, Inc. include the accounts, revenues, and expenses of its wholly owned subsidiaries for the period ending Sept. 30, 2019.

Cash Equivalents

For purposes of reporting of cash flows, the Company classifies all cash and short-term investments with maturities of three months or less to be cash equivalents.

Receivables

Accounting principles generally accepted in the United States require that the allowance for uncollectibles method be used to reflect bad debts. The Company uses the direct write-off method instead; but it approximates the allowance for uncollectibles in the case of these financial statements.

Property and Equipment

Property and equipment are valued at cost. Depreciation is provided by use of the straight-line method over the estimated useful lives of the assets. Useful lives of the respective assets are

generally from three to seven years. Purchase of property and equipment greater than \$500 and major repairs of existing equipment that extends the useful life of the asset are capitalized.

The Financial Accounting Standards Board issued SFAS No.142 "Goodwill and Other Intangible Assets" effective for fiscal years beginning after December 15, 2001. According to SFAS 142,

AURI, INC.
Notes to Financial Statements
FOR THE 3 MONTHS ENDED June 30,2021.

goodwill should not be amortized. Instead, it should be reviewed for impairment at least annually and charged to earnings only when its recorded value exceeds its fair value. The Company has elected to follow SFAS 142. The Company has no recorded goodwill on its financial statements and does not believe this accounting standard will affect the Company.

Impairment of Long-Lived Assets

It is the policy of the Company to periodically evaluate the economic recoverability of all of its long-lived assets. In accordance with that policy, when it is determined that an asset has been impaired the loss is recognized in the statement of operations.

Fair Value of Financial Instruments

The methods and assumptions used to estimate the fair value of each class of financial instruments are as follows:

Cash and cash equivalents, receivables, prepaid premiums, accounts payable, accrued expense, deferred revenue, notes payable are reflected in the financial statements at cost, which approximates fair value because of the relatively short maturity of these instruments.

Concentration of Credit Risk

Financial instruments, which potentially subject the Company to concentrations of credit risk, consist principally of cash deposits. The Company will only exceed the FDIC insurable limit in an account when gross payrolls billed and collected post to the payroll bank account before the payroll checks and tax deposits are posted. The timeliness of the deposits and withdrawals are such that management estimates no material credit risk.

Income Taxes

The Company has adopted the provisions of SFAS No. 109, "Accounting for Income Taxes," which incorporates the use of the asset and liability approach of accounting for income taxes. The asset and liability approach requires the recognition of deferred tax assets and liabilities for the expected future consequences of temporary differences between the financial reporting basis and the income tax basis of assets and liabilities.

Comprehensive Income

The Company has adopted SFAS No. 130 Reporting Comprehensive Income. The Company has no reportable differences between net income and comprehensive income, therefore a statement of comprehensive income has not been presented.

Stock-Based Compensation

FASB No. 123, and FASB No 123R. "Accounting for Stock-Based Compensation" established accounting and disclosure requirements using a fair-value based method of accounting for stock-based employee compensation plans. In addition, the Emerging Issues Task Force has issued EITF 96-18 to further clarify FASB No. 123 & 123R.

Net (Loss) Per Share of Common Stock

The basic and diluted net income (loss) per common share in the accompanying statements of operations are based upon the net income (loss) divided by the weighted average number of shares outstanding during the periods presented. Diluted net (loss) per common share is the same as basic net (loss) per share because including any pending shares to issued services or otherwise would be anti-dilutive.

AURI, INC.
Notes to Financial Statements
FOR THE 3 MONTHS ENDED June 30, 2021.

Advertising Costs

The Company's advertising costs are expensed when incurred.

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Other Recent Accounting Pronouncements

The Company does not expect that the adoption of other recent accounting pronouncements to have any material impact on its financial statements.

NOTE 3 - Equity & Common Stock

No warrants were issued in the 9 months ended September 31, 2019.

The fair values of the warrants granted are reported as equity grants using the guidance of FASB no. 123R and EITF 96-18. The fair values of the restricted stock issued are reported using the guidance of FASB no. 123R and EITF 96-18 and are computed at fair market value. In accordance with EITF 96-18 regarding value of non-employee services paid with stock warrants granted, management has determined the services received on which the warrants were granted has no value. The Company has also determined that the value of the warrants using the stock price leaves no value for the warrants because the market value has continued to remain below the exercisable price of the warrants and the stock market continues to decline from what it was when the warrants were originally issued. Because the Company recognizes no value for the services received and no definitive value for the warrants granted using the market value of the stock, management has not recognized any value associated with the granting of warrants in this year or any prior year.

NOTE 4 – Going Concern

As reflected in the accompanying consolidated financial statements, the Company has had continuing net losses year-over-year through June 9th, 2020. These accrued and ongoing losses rise doubts that the Company can continue as a going concern. The Company's ability to continue will be dependent on its ability to increase sales as well as raise funds for its operations. The financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

The Company anticipates raising additional working capital through the issuance of debt and equity securities in order to further expand its business. Management believes that actions presently being undertaken to obtain additional funding provide the Company with the opportunity to continue to operate as a going concern.

NOTE 5 – Long Term Debt

Each Note-holder is entitled, at its option, at any time or from time to time, and in whole or in part, to convert the outstanding principal and accrued interest amounts of any Note, or any portion thereof, into shares of the common stock of the Company, according to any and all federal and state regulations.

5) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. In answering this item, please include the following:

- A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

AURI Inc has current operations in the Oil and Gas service field

- B. Describe any subsidiaries, parents, or affiliated companies, if applicable, and a description of such entity's business, contact information for the business, officers, directors, managers, or control persons. Subsidiary information may be included by reference

Auri's subsidiary, Phoenix Fulfillment Group LLC is a marketing, sales, and distribution company focused on delivering consumer products to retailers and distributors in various market sectors in North America. Phoenix has well established manufacturing relationships with factories in China and Southwest Asia where products are produced and shipped to its customers. Phoenix provides design direction and logistics support to the factories as well to insure a high level of customer satisfaction from its customers. The company has decades of experience in trading with China and other Asian countries, as well as decades of experience in building relationships with retail partners.

Auri's subsidiary, Evap Inc. has patent pending technology to assist with one of the biggest issues in the oil and gas industry, "PRODUCED WATER". The technology can take produced saltwater and turn it into a steam cleaner than most cities tap water by removing most of the metals, suspended solids, and chlorides that are extremely harmful to the environment from the vapor. The technology implemented into the oil field will help reduce large truck fatalities and injuries, environmental contamination, and earthquakes in certain areas due to SWD wells.

- C. Describe the issuers' principal products or services, and their markets

Evap Inc., is an oil and gas services company that was formed to efficiently and responsibly address the matter of Saltwater Disposal (Produced Water) on locations where oil and gas exploration operations are performed. Evap Inc. has secured rights to a patent pending technology that has revolutionized the physical removal of Produced Water on drilling locations. Technology that not only significantly reduces costs by eliminating truck hauling but also leaves an overall environmentally improved area. In short, the technology utilizes proprietary equipment designs and procedures that convert the saltwater that is produced from a well into steam. During the process, elements such as salts, chlorides, suspended solids, metals etc. are separated and removed. What remains becomes an eco-friendly clean steam emission that literally evaporates into the air. Our machines are capable of eliminating over 4000 barrels (barrels; 1 bbl = 42 U.S. Gallons) or 168,000 gallons per day. EVAP is fully mobile and will set up on location. EVAP's complete and professional service saves customers and operators valuable time and money while minding the environment.

6) Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.

Registered Agent in Wyoming facility, and executive suite at: 2730 Country Club RD. Ste F4, Lucas, TX 75002

7) Officers, Directors, and Control Persons

The goal of this section is to provide an investor with a clear understanding of the identity of all the persons or entities that are involved in managing, controlling or advising the operations, business development and disclosure of the issuer, as well as the identity of any significant or beneficial shareholders.

Using the tabular format below, please provide information, as of the period end date of this report, regarding any person or entity owning 5% of more of any class of the issuer's securities, as well as any officer, and any director of the company, regardless of the number of shares they own. **If any listed are corporate shareholders or entities, provide the name and address of the person(s) beneficially owning or controlling such corporate shareholders, or the name and contact information of an individual representing the corporation or entity in the note section.**

Edward Vakser, Chairman: For over 25 years, Edward Vakser has been involved in a multitude of enterprises including owning the second largest staging company in North Texas. He has been awarded several growth and performance industry awards and has produced some of the largest Corporate, Entertainment, and Direct Marketing Industries' events. For over 12 years, Mr. Vakser has been working on several intellectual property concepts including Artfest International, Inc., The Art Channel, the Presley Estate, Wrestling, Ultimate Fighting and Extreme Sports, along with a multitude of art, recording, and performing artists. Mr. Vakser, one of the co-founders of The Art Channel, created as a new network featuring all things creative providing an avenue to promote artists and their art, to sell high quality reproduction Giclée art and collectibles, and to provide a proven art collection business opportunity system while delivering true entertainment and educational values. Mr. Vakser brings marketing, broadcast television, technological, and financial expertise to enhance and complete the Issuer's business plan and opportunity.

Jason Perley, CEO/Director: Jason Perley is a college graduate from Baylor University. He graduated with multiple Business degrees in both Marketing and Management in his four years at Baylor. Since graduating college Mr. Perley has studied and worked with independent oil and gas companies as a consultant to develop knowledge and an understanding of issues in the industry. With this knowledge Mr. Perley aims to help companies become more environmentally friendly and reduce costs to eliminate
