

Alternative Reporting Standard:

OTCQX[®] U.S. and OTCQB[®] Disclosure Guidelines

Federal securities laws, such as Rules 10b-5 and 15c2-11 of the Securities Exchange Act of 1934 (“Exchange Act”) and Rule 144 of the Securities Act of 1933 (“Securities Act”), and state Blue Sky laws, require issuers to provide adequate current public information. With a view to encouraging compliance with these laws, OTC Markets Group has created these OTCQX U.S. and OTCQB[®] Disclosure Guidelines (“Guidelines”). These Guidelines set forth the disclosure obligations that make up the “Alternative Reporting Standard” for OTCQX U.S. and OTCQB traded companies.¹ These Guidelines have been designed to encompass the “Catch All” information required in Rule 15c2-11,² however they have not been reviewed by the U.S. Securities and Exchange Commission or any state securities regulator.

These Guidelines may be amended from time to time, in the sole and absolute discretion of OTC Markets Group, with or without notice.

General Considerations

An issuer preparing a disclosure document under the Alternative Reporting Standard should consider the purpose of adequate disclosure. Current and potential investors in the issuer’s securities should be provided with all “material” information — the information available to the issuer necessary for the investor to make a sound investment decision. The disclosure should enable an investor of ordinary intelligence and investment skills to understand the issuer’s business and prospects.

The disclosure must therefore present the issuer’s business plan and include a full and clear picture of the issuer’s assets, facilities, properties, investments, management and other resources, as well as a complete description of how they will be used to make profits. The issuer’s business plan should clearly describe the competition, regulatory environment and other risks to the issuer’s business, as well as the issuer’s plans for confronting these challenges.

It is also important for an investor to understand how the issuer raises capital and treats investors. At a minimum, the issuer must describe the ways it has raised capital by issuing shares in the past – to whom and the amount of consideration involved. The investor should also be provided with market information, including the past price history of any transactions in the issuer’s shares.

Finally, the disclosure should use plain English.³ This means using short sentences, avoiding legal and technical jargon and providing clear descriptions.

¹ This is not legal advice, and OTC Markets Group cannot assure anyone that compliance with our disclosure requirements will satisfy any legal requirements.

² Publication of information pursuant to these Guidelines also does not guarantee or ensure that the Company will be designated as having “current information” or eligible for public quotations pursuant to Rule 15c2-11 or any other applicable regulation.

³ For tips, you may wish to consult the SEC’s Plain English Handbook, available for free on the SEC’s website, at <http://www.sec.gov>.

HUMBL, Inc. (formerly Tesoro Enterprises, Inc.), an Oklahoma corporation ("Company") was incorporated November 12, 2009. The Company was redomiciled on November 30, 2020 to the State of Delaware. The Company has a calendar year-end.

Simultaneously with the November 12, 2009 incorporation, the Company entered into a share exchange agreement with Fashion Floor Covering and Tile, Inc. ("FFC&T"), whereby the sole stockholder of FFC&T received 125,000 shares of the Company's restricted shares of common stock in exchange for all the outstanding shares of FFC&T. FFC&T is a full line (wood, carpet and tile) retail dealer and installer of floor and hard wall covering materials. FFC&T has been in business for over twenty-five years under the same ownership and management.

On December 3, 2020, HUMBL, LLC ("HUMBL LLC"), that was formed May 13, 2019, merged into the Company in what is accounted for as a reverse merger. Under the terms of the Merger Agreement, HUMBL LLC exchanged 100% of their membership interests for 552,029 shares of newly created Series B Preferred Stock. The Series B Preferred shares were issued to the respective members of HUMBL LLC following the approval by FINRA of the one-for-four reverse stock split of the common shares and the increase in the authorized common shares to 7,450,000,000 shares. The FINRA approval for both the increase in the authorized common shares and reverse stock split occurred on February 26, 2021. To assume control of the Company, the former CEO, Henry Boucher assigned his 7,000,000 shares of Series A Preferred Stock to Brian Foote, the President and CEO of HUMBL LLC for a \$40,000 note payable. The Series A Preferred Stock is not convertible into common stock, however, it has voting rights of 10,000 votes per 1 share of stock. After the reverse merger was completed, HUMBL LLC ceased doing business, and all operations were conducted under Tesoro Enterprises, Inc. which later changed its name to HUMBL, Inc. ("HUMBL" or the "Company").

The Company was previously a shell company, but has not been a shell company at any time in the previous 12 months.

On June 3, 2021 we acquired Tickeri, Inc. (“Tickeri”) in a debt and stock transaction totaling \$20,000,000 following which Tickeri became a subsidiary of HUMBL. Tickeri is a leading ticketing, live events and box office SaaS platform featuring Latin events and artists throughout the United States, Latin America, and the Caribbean corridor. The purchase price for the stock purchase was \$20,000,000 of which we must pay \$10,000,000 in our common stock and \$10,000,000 was paid through two promissory notes. The shares had a deemed value equal to the volume weighted average price per share of HUMBL common stock on the OTC Markets for the ten consecutive trading days ending with the complete trading day ending two trading days prior to the closing. We issued the two shareholders of Tickeri, Juan Gonzalez and Javier Gonzalez, 4,672,897 shares of our common stock each. We also issued to each of Juan and Javier Gonzalez a secured promissory note in the face amount of \$5,000,000. The promissory notes are due and payable on or before December 31, 2022, bear interest at the rate of 5% per annum and are secured by the equity interests of Tickeri. In the event of an uncured default by HUMBL under the promissory note, Juan and Javier Gonzalez have the right to recover the ownership of Tickeri and re-commence the business and operations of Tickeri free and clear of any claims or encumbrances by HUMBL. We intend to limit the integration of Tickeri’s assets with our assets until the promissory notes are paid in full. We agreed to register on Form S-1 within three months from the closing the shares issued to Juan and Javier Gonzalez and have the registration statement declared effective within six months of the closing date. Following the closing, Juan Gonzalez and Javier Gonzalez, entered into employment agreements having a term of 18 months, appointing them CEO of Tickeri and CTO of HUMBL, respectively.

On June 30, 2021, we acquired Monster Creative, LLC (“Monster”). Monster is a Hollywood production studio that specializes in producing movie trailers and other related content. Monster was founded by Doug Brandt and Kevin Childress. Monster will collaborate with HUMBL in the production of NFTs and other digital content. The purchase price for all of the membership interests in Monster was paid through the issuance of one convertible note and one non-convertible note to each of Doug Brandt and Kevin Childress in the aggregate principal amount of \$8,000,000. The convertible notes were issued to Doug Brandt (through an entity owned by him) and Kevin Childress in the aggregate principal amount of \$7,500,000. The notes convert at the holder’s election at \$1.20 per share, bear interest at 5% per annum and are due in 18 months from issuance. We also issued non-convertible notes to Doug Brandt and Kevin Childress in the aggregate amount of \$500,000. These notes bear interest at the rate of 5% per annum and are due on April 1, 2022. Doug Brandt and Kevin Childress each entered into employment agreements with Monster having a term of three years. Doug Brandt was appointed as the CEO of Monster and Kevin Childress was appointed as its President and Creative Director.

The Company as noted above had a change in control on December 3, 2020. The Series B Preferred shares were 100% issued in 2021 upon approval by FINRA of the reverse stock split and increase in authorized common shares. There are no pending or threatening litigation matters or trading suspensions.

HUMBL is a Web 3, digital commerce platform that was built to connect consumers, freelancers and merchants in the digital economy. HUMBL provides simple tools and packaging for complex new technologies such as blockchain, in the same way that previous cycles of e-commerce and the cloud were more simply packaged by companies such as Facebook, Apple, Amazon and Netflix over the past several decades.

The goal of HUMBL is to provide ready built tools, and platforms for consumers and merchants to seamlessly participate in the digital economy. HUMBL is built on a patent-pending decentralized technology stack that utilizes both core and partner technologies, to provide faster connections to the digital economy and each other.

HUMBL has three interconnected product verticals:

- *HUMBL Pay* – A mobile app that allows peers, consumers and merchants to connect in the digital economy;
- *HUMBL Marketplace* – A mobile marketplace that allows consumers and merchants to connect more seamlessly in the digital economy; and
- *HUMBL Financial* – Financial products and services, targeted for simplified investing on the blockchain.

HUMBL Pay

HUMBL is developing a mobile application that allows customers to migrate to digital forms of payment, along with services such as maps, ratings, and reviews. The Company is also working rapidly to integrate the use of search, discovery, peer-to-peer cash and ticketing around the world, as these services migrate into digital and blockchain-based modalities. The mobile application is designed to provide functionality to the following groups:

- **Individuals** - Consumers who want to discover, pay, rate and review experiences digitally vs. paper bills and hardware point-of-sale (“POS”)
- **Freelancers** - Service providers and gig workers that want to get paid from anywhere they work vs. paper bills and hardware POS; and
- **Merchants** – Primarily brick and mortar vendors that want to get paid digitally vs. paper bills and hardware POS.

HUMBL Marketplace

Through its online marketplace, HUMBL is developing the capability for merchants to list a wide range of soft goods and digital assets to mid-market audiences, that, where appropriate, incorporate the benefits of blockchain. HUMBL provides merchants with the ability to list and sell goods with greater levels of authentication, by using technologies such as the HUMBL Token Engine and HUMBL Origin Assurance, to improve the merchant’s ability to trade, track and pay for assets.

HUMBL launched its NFT Marketplace to issue NFTs (Non-Fungible Tokens) that allow entities and individuals such as athletes, celebrities, agencies, artists and companies to monetize their digital images, multimedia, content and catalogues on the blockchain. The Company will work with clients to create, list and sell their NFTs across a variety of modalities and platforms. The Company had performed some beta testing of minting NFTs for future endeavors, and currently contracts with third parties to place their NFTs on the HUMBL NFT Gallery for sales to consumers. Sales of these NFTs are those of the designers, and HUMBL receives a commission for the sale.

In September of 2021, HUMBL launched HUMBL Tickets, initially focused on the offering of secondary (resale) tickets to thousands of live events across North America. The inventory listings and ticket fulfillment are provided by Ticket Evolution and HUMBL earns a commission for each sale. In addition to its subsidiary Tickeri, the Company will continue to work with clients to merge the realms of NFTs, event tickets and blockchain authentication.

HUMBL Financial

HUMBL Financial was developed to package step-function technologies such as blockchain into “several clicks” for the customer. With the total value of digital assets in excess of \$1 trillion, there is increased conviction that investment markets will need to migrate to more digital forms of asset ownership. This will create opportunities for a new generation of market participants and provide access to markets that have been historically reserved for high-net-worth individuals.

HUMBL Financial has created BLOCK ETX products to simplify digital asset investing for customers and institutions seeking exposure to a new, 24/7 digital asset class. We have launched this product in over 100 countries. HUMBL Financial has developed proprietary, multi-factor blockchain indexes, trading algorithms and financial services for the new digital asset trading markets. to accommodate index, active and thematic investment strategies. BLOCK ETXs are completely non-custodial, algorithmically driven software services that allow customers to purchase and hold digital assets in pre-set allocations through their own digital asset exchange accounts. BLOCK ETXs are compatible for United States customers who have accounts with Coinbase Pro, Bittrex US or Binance US. BLOCK ETXs are also available to non-US customers who have accounts with Bittrex Global. BLOCK ETXs will be served first on the desktop and web version of the HUMBL platform, with the goal of future applications inside the HUMBL mobile application. HUMBL Financial is open to the licensing of the BLOCK ETXs to institutions and exchanges. HUMBL Financial also plans to offer trusted, third party financial services in areas such as payments, investments, credit card services and lending across the HUMBL platform over time.

As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

HUMBL, INC.
(FORMERLY TESORO ENTERPRISES, INC.)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 1: NATURE OF OPERATIONS

HUMBL, Inc. (formerly Tesoro Enterprises, Inc.), an Oklahoma corporation (“Company”) was incorporated November 12, 2009. The Company was redomiciled on November 30, 2020 to the State of Delaware.

Simultaneously with the November 12, 2009 incorporation, the Company entered into a share exchange agreement with Fashion Floor Covering and Tile, Inc. (“FFC&T”), whereby the sole stockholder of FFC&T received 125,000 shares of the Company’s restricted shares of common stock in exchange for all the outstanding shares of FFC&T. FFC&T is a full line (wood, carpet and tile) retail dealer and installer of floor and hard wall covering materials. FFC&T has been in business for over twenty-five years under the same ownership and management.

On December 3, 2020, HUMBL, LLC (“HUMBL LLC”) merged into the Company in what is accounted for as a reverse merger. Under the terms of the Merger Agreement, HUMBL LLC exchanged 100% of their membership interests for 552,029 shares of newly created Series B Preferred Stock. The Series B Preferred shares were issued to the respective members of HUMBL LLC following the approval by FINRA of a one-for-four reverse stock split of the common shares and the increase in the authorized common shares to 7,450,000,000 shares, and 10,000,000 preferred shares.

The FINRA approval for both the increase in the authorized common shares and reverse stock split occurred on February 26, 2021. To assume control of the Company, the former CEO, Henry Boucher assigned his 7,000,000 shares of Series A Preferred Stock to Brian Foote, the President and CEO of HUMBL LLC for a \$40,000 note payable. The Series A Preferred Stock is not convertible into common stock; however, it has voting rights of 10,000 votes per 1 share of stock. After the reverse merger was completed, HUMBL LLC ceased doing business, and all operations were conducted under Tesoro Enterprises, Inc. which later changed their name to HUMBL, Inc. (“HUMBL” or the “Company”).

All share figures and per share amounts have been stated retroactively for the reverse stock split.

HUMBL is a Web 3, digital commerce platform that was built to connect consumers, freelancers and merchants in the digital economy. HUMBL provides simple tools and packaging for complex new technologies like blockchain, in the same way that previous cycles of e-commerce and cloud were more simply packaged by companies like Facebook, Apple, Amazon and Netflix (FAANG) over the past several decades.

The goal of HUMBL is to provide ready built tools, and platforms, for consumers and merchants to seamlessly participate in the digital economy. HUMBL is built on a patent-pending decentralized technology stack that utilizes both core and partner technologies, to provide faster connections to the digital economy and each other.

HUMBL has three interconnected product verticals:

- **HUMBL Pay** – A mobile app that allows peers, consumers and merchants to connect in the digital economy
- **HUMBL Marketplace** – A mobile marketplace that allows consumers and merchants to connect more seamlessly in the digital economy
- **HUMBL Financial** – Financial products and services, targeted for simplified investing on the blockchain

HUMBL Pay

HUMBL is developing a mobile application that allows customers to migrate to digital forms of payment, along with services such as maps, ratings, reviews. The company is also working rapidly to integrate the use of search, discovery, peer-to-peer cash and ticketing around the world, as these services migrate into digital and blockchain-based modalities.

- **Individuals** - Consumers who want to discover, pay, rate and review experiences digitally vs. paper bills and hardware POS

- **Freelancers** - Service providers and gig workers that want to get paid from anywhere they work vs. paper bills and hardware POS
- **Merchants** – Primarily brick and mortar vendors that want to get paid digitally vs. paper bills and hardware POS

HUMBL Marketplace

HUMBL is developing the capability for merchants to list a wide range of soft goods and digital assets to mid-market audiences, that, when appropriate, incorporate the benefits of blockchain. HUMBL provides merchants with the ability to list and sell goods with greater levels of authentication, by using technologies such as the HUMBL Token Engine and HUMBL Origin Assurance, to improve the merchant ability to trade, track and pay for assets.

HUMBL is also working to issue NFTs (Non-Fungible Tokens) that allow entities like individual global athletes, celebrities, agencies, artists and companies to monetize their digital images, multimedia, content and catalogues on the blockchain. The Company will work with clients to create, list and sell their NFTs across a variety of modalities and platforms.

HUMBL Financial (officially launched January 25, 2021)

HUMBL Financial is developing the ability to package the new, digital asset investment markets into "one click" for the customer. With the total value of the digital asset markets in excess of \$2 trillion dollars, there is increased conviction that investment markets will need to migrate to more digital forms of asset tokenization. This will create opportunities for a new generation of market participants on the blockchain.

HUMBL Financial has developed index, active and thematic investment products called Exchange Traded Index (ETX) products that allow customers to invest in baskets of assets on the blockchain. These products are non-custodial, algorithmically driven software services that allow customers to purchase and hold digital assets in pre-set allocations through their own digital asset exchange accounts.

The recent unprecedented events related to COVID-19, the disease caused by the novel coronavirus (SARS-CoV-2), have had significant health, economic, and market impacts and may have short-term and long-term adverse effects on our business that we cannot predict as the global pandemic continues to evolve. The extent and effectiveness of responses by governments and other organizations also cannot be predicted.

Our ability to access the capital markets and maintain existing operations is unknown during the COVID-19 pandemic. Any such limitation on available financing and how we conduct business with our customers and vendors would adversely affect our business.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying consolidated financial statements have been prepared in conformity with U.S. generally accepted accounting principles ("GAAP") and the rules and regulations of the United States Securities and Exchange Commission (the "Commission" or the "SEC"). It is management's opinion that all material adjustments (consisting of normal recurring adjustments) have been made which are necessary for a fair financial statement presentation.

The Company applies the guidance of Topic 805 *Business Combinations* of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC").

As the acquisition of HUMBL resulted in the owners of HUMBL gaining control over the combined entity after the transaction, and the shareholders of Tesoro Enterprises, Inc. continuing only as passive investors, the transaction was not considered a business combination under the ASC. Instead, this transaction was considered to be a capital transaction of the legal acquiree (HUMBL) and was equivalent to the issuance of shares by HUMBL for the net monetary assets of Tesoro Enterprises, Inc. accompanied by a recapitalization. As a result, all historical balances are those of HUMBL as they are the accounting acquirer.

Under generally accepted accounting principles of the United States, any excess of the fair value of the shares issued by HUMBL over the value of the net monetary assets of Tesoro Enterprises, Inc. is recognized as a reduction of equity. There was no excess of fair value in this transaction.

Reclassification

The Company has reclassified certain amounts in the 2019 financial statements to comply with the 2020 presentation. These principally relate to classification of certain expenses and liabilities. The reclassifications had no impact on total net loss or net cash flows for the period ended December 31, 2019.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the U.S. requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. These estimates include, but are not limited to, management's estimate of provisions required for permanent and temporary differences related to income taxes, liabilities to accrue, and determination of the fair value of stock awards. Actual results could differ from those estimates.

Cash

Cash consists of cash and demand deposits with an original maturity of three months or less. The Company holds no cash equivalents as of December 31, 2020 and 2019, respectively. The Company maintains cash balances in excess of the FDIC insured limit at a single bank. The Company does not consider this risk to be material.

Fixed Assets and Long-Lived Assets

ASC 360 requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The Company has adopted Accounting Standard Update ("ASU") 2017-04 *Intangibles – Goodwill and Other (Topic 350), Simplifying the Test for Goodwill Impairment*.

The Company reviews recoverability of long-lived assets on a periodic basis whenever events and changes in circumstances have occurred which may indicate a possible impairment. The assessment for potential impairment is based primarily on the Company's ability to recover the carrying value of its long-lived assets from expected future cash flows from its operations on an undiscounted basis. If such assets are determined to be impaired, the impairment recognized is the amount by which the carrying value of the assets exceeds the fair value of the assets.

Intangible assets with finite useful lives are stated at cost less accumulated amortization and impairment.

The Company assesses the impairment of identifiable intangibles whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Factors the Company considers to be important which could trigger an impairment review include the following:

1. Significant underperformance relative to expected historical or projected future operating results;
2. Significant changes in the manner of use of the acquired assets or the strategy for the overall business; and
3. Significant negative industry or economic trends.

When the Company determines that the carrying value of intangibles may not be recoverable based upon the existence of one or more of the above indicators of impairment and the carrying value of the asset cannot be recovered from projected undiscounted cash flows, the Company records an impairment charge. The Company measures any impairment based on a projected discounted cash flow method using a discount rate determined by management to be commensurate with the risk inherent in the current business model. Significant management judgment is required in determining whether an indicator of impairment exists and in projecting cash flows.

The Company tested the carrying value of its long-lived assets for recoverability during the year ended December 31, 2020, and there were no indicators of impairment noted during this period.

Subsequent Events

Subsequent events were evaluated through the date the financial statements were filed.

Revenue Recognition

The Company accounts for a contract with a customer that is within the scope of this Topic only when the five steps of revenue recognition under ASC 606 are met.

The five core principles will be evaluated for each service provided by the Company and is further supported by applicable guidance in ASC 606 to support the Company's recognition of revenue.

The Company accounts for revenues based on the verticals in which they were earned. The three principal verticals in which the Company operates today are HUMBL Pay, HUMBL Marketplace and HUMBL Financial.

HUMBL Pay

The Company is anticipated to earn transaction revenues primarily from fees charged to merchants and consumers on a transaction basis through its mobile application. These fees may have a fixed and/or variable component. The variable component is generally a percentage of the value of the payment amount and is known at the time the transaction is processed. For a portion of our transactions, the variable component of the fee is eligible for reimbursement when the underlying transaction is approved for a refund. The Company may estimate the amount of fee refunds that will be processed each quarter and record a provision against the net revenues. The volume of activity processed on the platform, which results in transaction revenue, is referred to as Total Payment Volume ("TPV"). The Company will earn additional fees on transactions where currency conversion is performed, when cross-border transactions are enabled (i.e., transactions where the merchant and consumer are in different countries), to facilitate the instant transfer of funds for customers from their HUMBL account to their debit card or bank account, and other miscellaneous fees. The Company will rely on third party partners to perform all money transmission services.

The Company may earn revenues from other value-added services, which are comprised primarily of revenue earned through partnerships, referral fees, subscription fees, gateway fees, ticketing, peer-to-peer payments and other services that will be provided to merchants and consumers. These contracts typically have one performance obligation which is provided and recognized over the term of the contract. The transaction price is generally fixed and known at the end of each reporting period; however, for some agreements, it may be necessary to estimate the transaction price using the expected value method. The Company is expected to record revenue earned in revenues from other value-added services on a net basis when they are considered the agent with respect to processing transactions.

HUMBL Marketplace

The Company will recognize revenue when its transfer control of promised goods or services to customers in an amount that reflects the consideration to which is expected to be entitled in exchange for those goods or services. Revenue is recognized net of any taxes collected, which are subsequently remitted to governmental authorities.

Net transaction revenues

The net transaction revenues will primarily include final value fees, feature fees, including fees to promote listings, and listing fees from sellers in our Marketplace. The net transaction revenues will also include store subscription and other fees often from large enterprise sellers. The net transaction revenues are reduced by incentives provided to customers.

The Company has identified one performance obligation to sellers on the Marketplace platform, which is to connect buyers and sellers on the secure and trusted Marketplace platforms. Final value fees are recognized when an item is sold on a Marketplace platform, satisfying this performance obligation. There may be additional services available to Marketplace sellers, mainly to promote or feature

listings, that are not distinct within the context of the contract. Accordingly, fees for these additional services are recognized when the single performance obligation is satisfied. Promoted listing fees are recognized when the item is sold and feature and listing fees are recognized when an item is sold, or when the contract expires.

Further, to drive traffic to the platform, the Company will provide incentives to buyers and sellers in various forms including discounts on fees, discounts on items sold, coupons and rewards. Evaluating whether a promotion or incentive is a payment to a customer may require significant judgment. Promotions and incentives which are consideration payable to a customer are recognized as a reduction of revenue at the later of when revenue is recognized or when the incentive is paid or promise to be paid. Promotions and incentives to most buyers on our Marketplace platforms, to whom there is no performance obligation, are recognized as sales and marketing expense. In addition, there may be credits provided to customers when certain fees are refunded. Credits are accounted for as variable consideration at contract inception when estimating the amount of revenue to be recognized when a performance obligation is satisfied to the extent that it is probable that a significant reversal of revenue will not occur and updated as additional information becomes available.

Marketing services and other revenues

Marketing services and other revenues are derived principally from the sale of advertisements, classifieds fees, and revenue sharing arrangements. Advertising revenue is derived principally from the sale of online advertisements which are based on “impressions” (i.e., the number of times that an advertisement appears in pages viewed by users of our platforms) or “clicks” (which are generated each time users on our platforms click through our advertisements to an advertiser’s designated website) delivered to advertisers. The Company uses the output method and apply the practical expedient to recognize advertising revenue in the amount to which they have a right to invoice. For contracts with target advertising commitments with rebates, estimated payout is accounted for as a variable consideration to the extent it is probable that a significant reversal of revenue will not occur.

HUMBL Financial

Revenue is recognized upon transfer of control of promised services to customers in an amount to which the Company expects to be entitled in exchange for those services. Service subscription revenue is recognized for the month in which services are provided. If a customer pays for an annual subscription, revenue is allocated over the months in the subscription and recognized for each month of the service provided.

Accounts Receivable and Concentration of Credit Risk

An allowance is based on management’s estimate of the overall collectability of accounts receivable, considering historical losses. Based on these same factors, individual accounts are charged off against the allowance when management determines those individual accounts are uncollectible. Credit extended to customers is generally uncollateralized. Past-due status is based on contractual terms. The Company does not charge interest on accounts receivable. As of December 31, 2020 and 2019, there were no accounts receivable and therefore no allowance necessary.

Income Taxes

Income taxes are accounted under the asset and liability method. The current charge for income tax expense is calculated in accordance with the relevant tax regulations applicable to entity. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and for operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Differences between statutory tax rates and effective tax rates relate to permanent tax differences.

Prior to the merger with the Company, HUMBL LLC was a partnership. All losses generated were passed through to the individual members, and there was no provision for income taxes.

Uncertain Tax Positions

The Company follows ASC 740-10 *Accounting for Uncertainty in Income Taxes*. This requires recognition and measurement of uncertain income tax positions using a “more-likely-than-not” approach. Management evaluates their tax positions on an annual basis.

The Company files income tax returns in the U.S. federal tax jurisdiction and various state tax jurisdictions. The federal and state income tax returns of the Company are subject to examination by the IRS and state taxing authorities, generally for three years after they were filed.

Vacation and Paid-Time-Off

The Company follows ASC 710-10 *Compensation – General*. The Company records liabilities and expense when obligations are attributable to services already rendered, will be paid even if an employee is terminated, payment is probable, and the amount can be estimated.

Share-Based Compensation

The Company follows ASC 718 *Compensation – Stock Compensation* and has adopted ASU 2017-09 *Compensation – Stock Compensation (Topic 718) Scope of Modification Accounting*. The Company calculates compensation expense for all awards granted, but not yet vested, based on the grant-date fair values. Share-based compensation expense for all awards granted is based on the grant-date fair values. The Company policy is to recognize these compensation costs, on a pro rata basis over the requisite service period of each vesting tranche of each award for service-based grants, and as the criteria is achieved for performance-based grants, when such grants are made.

The Company adopted ASU 2016-09 *Improvements to Employee Share-Based Payment Accounting*. Cash paid when shares are directly withheld for tax withholding purposes will be classified as a financing activity in the statement of cash flows.

Fair Value of Financial Instruments

ASC 825 *Financial Instruments* requires the Company to disclose estimated fair values for its financial instruments. Fair value estimates, methods, and assumptions are set forth below for the Company’s financial instruments: The carrying amount of cash, accounts receivable, prepaid and other current assets, accounts payable and accrued liabilities, and amounts payable to related parties, approximate fair value because of the short-term maturity of those instruments. The Company does not utilize derivative instruments.

Leases

The Company follows ASC 842 *Leases* in accounting for leased properties, when they exceed a one-year term.

Earnings (Loss) Per Share of Common Stock

Basic net income (loss) per common share is computed using the weighted average number of common shares outstanding. Diluted earnings per share (“EPS”) include additional dilution from common stock equivalents, such as convertible notes, preferred stock, stock issuable pursuant to the exercise of stock options and warrants. Common stock equivalents are not included in the computation of diluted earnings per share when the Company reports a loss because to do so would be anti-dilutive for periods presented, so only the basic weighted average number of common shares are used in the computations.

Derivative Financial Instruments

The Company does not use derivative instruments to hedge exposures to cash flow, market, or foreign currency risks. Management evaluates all of the Company’s financial instruments, including convertible notes and warrants, to determine if such instruments are derivatives or contain features that qualify as embedded derivatives. The Company generally uses a Black-Scholes model, as applicable, to value the derivative instruments at inception and subsequent valuation dates when needed. The classification of derivative instruments, including whether such instruments should be recorded as liabilities, is remeasured at the end of each reporting period.

Fair Value Measurements

ASC 820 *Fair Value Measurements* defines fair value, establishes a framework for measuring fair value in accordance with GAAP, and expands disclosure about fair value measurements. ASC 820 classifies these inputs into the following hierarchy:

Level 1 inputs: Quoted prices for identical instruments in active markets.

Level 2 inputs: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 inputs: Instruments with primarily unobservable value drivers.

Segment Reporting

The Company follows the provisions of ASC 280-10 *Segment Reporting*. This standard requires that companies disclose operating segments based on the manner in which management disaggregates the Company in making internal operating decisions.

For the year ended December 31, 2020 and period May 13, 2019 through December 31, 2019, the Company and its chief operating decision makers determined that the Company operated in one segment as they were developing their business model. Effective 2021, the Company has established four distinct operating segments: HUMBL Marketplace; HUMBL Pay; HUMBL Financial; and HUMBL Ticketing. All operations for the year ended December 31, 2020 and period May 13, 2019 through December 31, 2019 were based in the United States, therefore there was no segment reporting required for geographical locations.

Related-Party Transactions

Parties are considered to be related to the Company if the parties directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with the Company. Related parties also include principal stockholders of the Company, its management, members of the immediate families of principal stockholders of the Company and its management and other parties with which the Company may deal where one-party controls or can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests. The Company discloses all material related-party transactions. All transactions shall be recorded at fair value of the goods or services exchanged.

NOTE 3: REVERSE MERGER

HUMBL LLC

On December 3, 2020, HUMBL LLC merged into the Company in what is accounted for as a reverse merger. Under the terms of the Merger Agreement, HUMBL LLC exchanged 100% of their membership interests for 552,029 shares of newly created Series B Preferred Stock. The Series B Preferred shares were issued to the respective members of HUMBL LLC following the approval by FINRA of the one-for-four reverse stock split of the common shares and the increase in the authorized common shares to 7,450,000,000 shares. The FINRA approval for both the increase in the authorized common shares and reverse stock split occurred on February 26, 2021. To assume control of the Company, the former CEO, Henry Boucher assigned his 7,000,000 shares of Series A Preferred Stock to Brian Foote, the President and CEO of HUMBL LLC for a \$40,000 note payable. The Series A Preferred Stock is not convertible into common stock, however, it has voting rights of 10,000 votes per 1 share of stock. After the reverse merger was completed, HUMBL LLC ceased doing business, and all operations were conducted under Tesoro Enterprises, Inc. which later changed its name to HUMBL.

As the acquisition of HUMBL resulted in the owners of HUMBL gaining control over the combined entity after the transaction, and the shareholders of Tesoro Enterprises, Inc. continuing only as passive investors, the transaction was not considered a business combination under the ASC. Instead, this transaction was considered to be a capital transaction of the legal acquiree (HUMBL) and was equivalent to the issuance of shares by HUMBL for the net monetary assets of Tesoro Enterprises, Inc. accompanied by a recapitalization. As a result, all historical balances are those of HUMBL as they are the accounting acquirer.

There were no outstanding liabilities of Tesoro Enterprises, Inc. that remained at the time of the merger so no amounts were assumed by HUMBL.

NOTE 8: COUNTRY RIGHTS OPTION

On December 23, 2020, the Company and Tuigamala Group Pty Ltd, an Australian corporation (“TGP”), entered into a Securities Purchase Agreement whereby TGP agreed to purchase an option to purchase territory rights to 15 countries in the Oceania region (“Option”). The purchase price for this Option was \$5,600,000, payable in two payments. The initial payment was \$600,000 and was paid on December 23, 2020. The second payment of \$5,000,000 is due on or before March 31, 2021. The Option will immediately expire should the second payment fail to be made by March 31, 2021.

In addition to receiving the Option, TGP was granted a warrant to purchase 12,500,000 shares of common stock of the Company at an exercise price of \$1.00 per share. The warrant expires one-year from the grant date, December 23, 2021. As the warrant and the Option were granted for one price, the Company calculated the relative fair values of each instrument and recognized \$556,757 of the \$600,000 paid as the value of the warrant, and the remaining \$43,243 as the value of the Option, which is reflected as deferred revenue on the Consolidated Balance Sheet as the criteria for revenue recognition under ASC 606 has not been satisfied to be recognized as revenue as of December 31, 2020. There is no guarantee that TGP will be able to make the second payment under the Option by the deadline of March 31, 2021.

On February 26, 2021, the Company and TGP entered into a term sheet to revise the Option. The revised terms of the Option are that the Company will form a subsidiary in the Oceania region. TGP will purchase a 35% ownership interest in the subsidiary and 3,750,000 shares of common stock for an aggregate purchase price of \$15,000,000. The subsidiary shares and common shares will be purchased as follows: (a) by March 31, 2021, 1,250,000 shares will be issued for \$5,000,000 and 33.33% of the subsidiary shares are to be sold to TGP; and (b) by September 30, 2021 with reasonable extensions to be determined, 2,500,000 shares will be issued for \$10,000,000 and the remaining 66.66% of the subsidiary shares are to be sold to TGP. As a result of the revised terms, it is anticipated that the \$600,000 paid on December 23, 2020, will be used in its entirety to pay for the warrants described below, and the deferred revenue recognized will be reflected as additional paid in capital on February 26, 2021.

Liquidity and Capital Resources

Liquidity is the ability of a company to generate funds to support its current and future operations, satisfy its obligations, and otherwise operate on an ongoing basis. Significant factors in the management of liquidity are funds generated by operations, levels of accounts receivable and accounts payable and capital expenditures.

As of September 30, 2021, we had \$2,465,355 in cash. Between the growth in revenues by fees generated by HUMBL Financial and through sales of merchandise and NFTs in the HUMBL Marketplace, as well as revenue generated through our subsidiaries Tickeri, Inc. and Monster Creative LLC, along with the successful launches of the HUMBL Pay application, HUMBL Financial and HUMBL

Tickets in 2021 as well as proceeds received from the exercise of warrants in October 2021, we have sufficient operating cash to continue the development of our core products and services.

We had a working capital deficit of \$2,775,119 as of September 30, 2021 as compared to a working capital surplus of \$1,560,832 as December 31, 2020, respectively. The decrease in working capital is the result of the incurrence of expenditures related to the commencement of the various segments and the current portion of convertible that is due in the next 12 months. The Company believes it has adequate capital resources to meet its cash requirements during the next 12 months as they continue to grow and develop suitable sources of capital.

We expect that the revenue generating operations of the Company will continue to improve the liquidity of the Company moving forward. However, going forward, the effect of the pandemic on the capital markets may limit our ability to raise additional capital on the terms acceptable to us at the time we need it, if at all. The challenges related to remote work and travel restrictions that we as a smaller company have faced in striving to meet our disclosure obligations in a timely manner while taking the steps to protect the health and safety of our employees have impacted, and may continue to further impact, our ability to raise additional capital.

Net cash used in operating activities was \$6,376,656 and \$321,763 for the nine months ended September 30, 2021 and 2020, respectively. The \$6,054,893 increase in net cash used in operating activities was primarily a result of the net loss increase from 2020 to 2021 and the increase in account payable and accrued expenses as well as the valuation of our share-based compensation in 2021 as well as other non-cash charges such as impairment expense.

Net cash used in investing activities was \$237,182 for the nine months ended September 30, 2021 related to purchases of fixed assets of \$367,576 offset by cash received in the acquisitions of Tickeri, Inc and Monster Creative, LLC of \$130,394. There were no investing activities in 2020.

Cash provided by financing activities was \$7,358,214 and \$411,500 for the nine months ended September 30, 2021 and 2020, respectively. Cash was provided through proceeds from sales of membership interests in HUMBL LLC in 2020. Net cash used in operating activities was \$856,317 and \$200,645 for the periods ended December 31, 2020 and 2019, respectively. The \$655,672 increase in net cash used in operating activities was primarily a result of the net loss increase from 2019 to 2020 and the changes in amounts due our related parties.

Cash provided by financing activities was \$2,572,441 and \$205,500 for the periods ended December 31, 2020 and 2019, respectively. Cash was provided through proceeds from sales of membership interests in HUMBL LLC as well as from the sale of warrants and from convertible promissory notes in 2020. **STATE OF DELAWARE
CERTIFICATE OF AMENDMENT TO
THE CERTIFICATE OF INCORPORATION
OF
TESORO ENTERPRISES, INC.**

Tesoro Enterprises, Inc. (the "**Corporation**"), a Delaware corporation, does hereby certify that the following amendments to the Corporation's Certificate of Incorporation to change Paragraph First to change the name of the Corporation and to amend and restate Paragraph Fourth to increase the number of authorized shares, to designate a Series B preferred stock and a Series C preferred stock and to provide for a reverse split of one share for each four of its issued and outstanding shares of common stock have been duly adopted in accordance with the provisions of Sections 228 and 242 of the Delaware General Corporation Law, as follows:

PARAGRAPH FIRST

The name of the Corporation is HUMBL, Inc.

PARAGRAPH FOURTH

The aggregate number of shares which the Corporation shall have authority to issue is 7,450,000,000 shares of common stock, \$.00001 par value per share ("Common Stock"), and 25,000,000 shares of "blank check" preferred stock, par value \$.00001 per share. The Board of Directors is hereby expressly authorized to provide, out of the unissued shares of preferred stock, for one or more series of preferred stock and, with respect to each such series, to fix the number of shares constituting such series and the designation of such series, the voting powers, if any, of the shares of such series, and the preferences and relative, participating, optional, or other special rights, if any, and any qualifications, limitations, or restrictions thereof, of the shares of such series. The powers, preferences and relative, participating, optional and other special rights of each series of preferred stock, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding.

Reverse Stock Split. The effective date of this reverse stock split shall be immediately upon the approval by the Financial Industry Regulatory Authority (FINRA) of such corporate action (the "Effective Time"). At the Effective Time, each four (4) shares of Common Stock of the Corporation issued and outstanding immediately prior to the Effective Time shall automatically be combined and converted, without any action on the part of the holder thereof, into one (1) share of fully paid and nonassessable Common Stock of the Corporation (the "Reverse Stock Split"). This Reverse Stock Split shall be effected on a certificate-by-certificate basis, and no

fractional shares shall be issued as a result of this Reverse Stock Split. In lieu thereof, the Corporation shall round up in the event a stockholder would be entitled to receive less than one (1) share of Common Stock as a result of the Reverse Split.

A. Description and Designation of Series A Preferred Stock.

(1) Designation. A total of 7,000,000 shares of the Corporation's Preferred Stock shall be designated as "Series A Preferred Stock". As used herein, the term "Preferred Stock" used without reference to the Series A Preferred Stock means the shares of Series A Preferred Stock and the shares of any series of authorized Preferred Stock of the Corporation issued and designated from time to time by a resolution or resolutions of the Board of Directors, share for share alike and without distinction as to class or series, except as otherwise expressly provided below.

(2) Dividends. Holders of the Series A Preferred Stock shall be entitled to receive, out of funds legally available for that purpose, on the same terms and conditions as that of holders of common stock, as may be declared by the Board of Directors.

(3) Liquidation. Dissolution or Winding Up.

(a) Treatment at Sale. Liquidation. Dissolution or Winding Up. In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, any distribution or payment shall be made to any holders of any shares of Common Stock or any other class or series of capital stock of the Corporation designated to be junior to the Series A Preferred Stock or Common Stock, and subject to the liquidation rights and preferences of any class or series of Preferred Stock designated to be senior to, or on a parity with, the Series A Preferred Stock, holders of the shares of Series A Preferred Stock, Series B Preferred Stock (defined below) and Series C Preferred Stock (defined below) shall be entitled to be paid in cash first out of the assets of the Corporation available for distribution to holders of the Corporation's capital stock, whether such assets are capital, surplus or earnings, an amount equal to the price per share of Series A Preferred Stock originally paid to the Corporation by a holder, plus any and all accrued and unpaid dividends thereof (whether or not declared). Such amounts shall be subject to equitable adjustment whenever there shall occur a stock dividend, stock split, combination, reorganization, recapitalization, reclassification or other similar event involving the Series A Preferred Stock and such amount, as so determined, is referred to herein as the "Series A Liquidation Value" with respect to such shares.

(b) Insufficient Funds. If upon such liquidation, dissolution or winding up the assets or surplus funds of the Corporation to be distributed to the holders of shares of Series A Preferred Stock and any other then-outstanding shares of the Corporation's capital stock ranking on a parity with respect to payment on liquidation with the Series A Preferred Stock, which shall include the Common Stock (such shares being referred to herein as the "Series A Parity Stock") shall be insufficient to permit payment to such respective holders of the full Series A Liquidation Value and all other preferential amounts payable with respect to the Series A Preferred Stock and such Series A Parity Stock, then the assets available for payment or distribution to such holders shall be allocated among the holders of the Series A Preferred Stock and such Series A Parity Stock, *pro rata*, in proportion to the full respective preferential amounts to which the Series A Preferred Stock and such Series A Parity Stock are each entitled.

(c) Certain Transactions Treated as Liquidation. For purposes of this Section 3, (A) any sale, exchange, conveyance or other disposition of the capital stock of the Corporation in a transaction or series of related transactions in which more than 50% of the voting power of the Corporation is disposed of or shifts, (B) any acquisition of the Corporation by means of merger or other form of corporate reorganization or consolidation with or into another corporation in which outstanding shares of the Corporation, including shares of Series A Preferred Stock, are exchanged for securities or other consideration issued, or caused to be issued, by the other corporation or its subsidiary and, as a result of which transaction, the stockholders of this Corporation own 50% or less of the voting power of the surviving entity (other than a mere re-incorporation transaction), or (C) a sale, transfer or lease (other than a pledge or grant of a security interest to a bona fide lender) of all or substantially an of the assets of the Corporation (other than to or by a majority-owned or wholly-owned subsidiary of the Corporation), shall be treated as a liquidation, dissolution or winding up of the Corporation and shall entitle the holders of the Series A Preferred Stock to receive the amount that would be received in a liquidation, dissolution or winding up pursuant to Section 3(a) hereof, if the holders of at least 50% of the then outstanding shares of Series A Preferred Stock so elect by giving written notice thereof to the Corporation at least three (3) business days before the effective date of such event. The Corporation will provide the holders of Preferred Stock with notice of all transactions which are to be treated

as a liquidation, dissolution or winding up pursuant to this Section 3(c) twenty (20) days prior to the earlier of the vote relating to such transaction or the closing of such transaction.

(d) Distributions of Property. Whenever the distribution provided for in this Section 3 shall be payable in property other than cash, the value of such distribution shall be the fair market value of such property as determined in good faith by the Board of Directors, unless the holders of 50% or more of the then outstanding shares of Series A Preferred Stock request, in writing, that an independent appraiser perform such valuation, then by an independent appraiser selected by the Board of Directors and reasonably acceptable to 50% or more of the holders of such series of Preferred Stock.

(4) Voting Power. Except as otherwise expressly provided herein or as required by law, holders of Series A Preferred Stock shall have all voting rights of those of the holders of Corporation common stock, based on one thousand (1,000) votes of Common Stock for each one share of Series A Preferred Stock so held.

(5) Conversion Rights. There are no conversion rights.

(6) Registration Rights. Holders of Series A Preferred Stock shall be entitled to such demand and piggyback registration rights as shall be designated between each such Holder and the Corporation.

(7) Registration of Transfer. The Corporation will keep at its principal office a register for the registration of shares of Preferred Stock. Subject to the next sentence, upon the surrender of any certificate representing shares of Preferred Stock at such place, the Corporation will, at the request of the record holders of such certificate, execute and deliver (at the Corporation's expense) a new certificate or certificates in exchange therefore representing the aggregate number of shares of Preferred Stock represented by the surrendered certificate. It shall be a condition precedent to any such transfer that the Corporation shall receive an opinion of counsel reasonably acceptable to the Corporation that such certificates may be issued (and the Preferred Stock transferred) pursuant to an available exemption from the registration requirements of applicable state and federal securities laws. Each such new certificate will be registered in such name and will represent such number of shares of Preferred Stock as is required by the holder of the surrendered certificate and will be substantially identical in form to the surrendered certificate.

(8) Replacement. Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered holder will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing shares of Preferred Stock, and in the case of any such loss, theft or destruction, upon receipt of an unsecured indemnity from the holder reasonably satisfactory to the Corporation or, in the case of such mutilation upon surrender of such certificate, the Corporation will (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of Preferred Stock represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

(9) Restrictions and Limitations on Corporate Action and Amendments to Articles. The Corporation shall not take any corporate action or otherwise amend its Certificate of Incorporation or these designations without the approval by vote or written consent of the holders of at least 70% of the then outstanding shares of Series A Preferred Stock, voting together as a single class, if such corporate action or amendment would:

(a) authorize or create any class of stock or security senior to, or on parity with, the Preferred Stock as to dividends or liquidation preferences or redemption rights;

(b) increase the authorized number of Preferred Stock or alter the powers, preferences, or right of the Preferred Stock, so as to affect them adversely;

(c) authorize the merger, consolidation, or the sale, lease or other disposition of all or substantially all of the assets of the Corporation;

(d) declare or pay any dividend or distribution on any capital stock, other than the Series A Preferred Stock or the Preferred Stock; or

(e) enter into any material joint venture, joint marketing or joint development agreement, not in the ordinary course of business; or make any changes to the employee or incentive stock option plan; make any grants of stock options or any other forms of equity or incentive compensation.

(10) No Dilution or Impairment. The Corporation will not, by amendment of its Certificate of Incorporation or through any reorganization, transfer of capital stock or assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of the Preferred Stock set forth herein, but will at all times, in good faith, assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holders of the Preferred Stock hereunder. Without limiting the generality of the foregoing, the Corporation will not issue any capital stock that would dilute the voting rights of the Holders of the Series A Preferred Stock to less than 51%.

(11) Notices of Record Date. In the event of:

(a) any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or any right to subscribe for, purchase or otherwise acquire any shares of capital stock of any class or any other securities or property, or to receive any other right, or

(b) any capital reorganization of the Corporation, any reclassification or recapitalization of the capital stock of the Corporation, any merger or consolidation of the Corporation, or any transfer of all or substantially all of the assets of the Corporation to any other corporation, or any other entity or person, or Corporation,

(c) any voluntary or involuntary dissolution, liquidation or winding up of the Corporation,

then and in each such event the Corporation shall mail or cause to be mailed to each holder of Preferred Stock a notice specifying (i) the date on which any such record is to be taken for the purpose of such dividend, distribution or right and a description of such dividend, distribution or right, (ii) the date on which any such reorganization, reclassification, recapitalization, transfer, consolidation, merger, dissolution, liquidation or winding up is expected to become effective, and (iii) the time, if any, that is to be fixed, as to when the holders of record of Common Stock (or other securities) shall be entitled to exchange their shares of Common Stock (or other securities) for securities or other property deliverable upon such reorganization, reclassification, recapitalization, transfer, consolidation, merger, dissolution, liquidation or winding up. Such notice shall be mailed by first class mail, postage prepaid, at least ten (10) days prior to the earlier of (1) the date specified in such notice on which such record is to be taken and (2) the date on which such action is to be taken. Failure to mail such notice on a timely basis or any defect in such notice shall not affect the validity of any transaction or action referred to in this Section 11.

(12) Notices. Except as otherwise expressly provided, all notices referred to herein will be in writing and will be delivered by registered or certified mail, return receipt requested, postage prepaid and will be deemed to have been given when so mailed (i) to the Corporation, at its principal executive offices and (ii) to any stockholder, at such holder's address as it appears in the stock records of the Corporation (unless otherwise indicated in writing by any such holder).

B. Description and Designation of Series B Preferred Stock.

(1) Designation. A total of 900,000 shares of the Corporation's Preferred Stock shall be designated as "Series B Preferred Stock". As used herein, the term "Preferred Stock" used without reference to the Series B Preferred Stock means the shares of Series B Preferred Stock and the shares of any series of authorized Preferred Stock of the Corporation issued and designated from time to time by a resolution or resolutions of the Board of Directors, share for share alike and without distinction as to class or series, except as otherwise expressly provided below.

(2) Dividends. Holders of the Series B Preferred Stock shall be entitled to receive, out of funds legally available for that purpose, on the same terms and conditions as that of holders of Common Stock, as may be declared by the Board of Directors.

(3) Liquidation, Dissolution or Winding Up.

(a) Treatment at Sale, Liquidation, Dissolution or Winding Up. In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, any distribution or payment shall be made to any holders of any shares of Common Stock or any other class or series of capital stock of the Corporation designated to be junior to the Series B Preferred Stock or Common Stock, and subject to the liquidation rights and preferences of any class or series of Preferred Stock designated to be senior to, or on a parity with, the Series B Preferred Stock, holders of the shares of Series B Preferred Stock shall be entitled to be paid in cash first with the Series A Preferred Stock and Series C Preferred Stock out of the assets of the Corporation available for distribution to holders of the Corporation's capital stock, whether such assets are capital, surplus or earnings, an amount equal to the price per share of Series B Preferred Stock originally paid to the Corporation by a holder, plus any and all accrued and unpaid dividends thereof (whether or not declared). Such amounts shall be subject to equitable adjustment whenever there shall occur a stock dividend, stock split, combination, reorganization, recapitalization, reclassification or other similar event involving the Series B Preferred Stock and such amount, as so determined, is referred to herein as the "Series B Liquidation Value" with respect to such shares.

(b) Insufficient Funds. If upon such liquidation, dissolution or winding up the assets or surplus funds of the Corporation to be distributed to the holders of shares of Series B Preferred Stock and any other then-outstanding shares of the Corporation's capital stock ranking on a parity with respect to payment on liquidation with the Series B Preferred Stock, which shall include the Common Stock (such shares being referred to herein as the "Series B Parity Stock") shall be insufficient to permit payment to such respective holders of the full Series B Liquidation Value and all other preferential amounts payable with respect to the Series B Preferred Stock and such Series B Parity Stock, then the assets available for payment or distribution to such holders shall be allocated among the holders of the Series B Preferred Stock and such Series B Parity Stock, *pro rata*, in proportion to the full respective preferential amounts to which the Series B Preferred Stock and such Series B Parity Stock are each entitled.

(c) Certain Transactions Treated as Liquidation. The Corporation will provide the holders of Preferred Stock with notice of all transactions which are to be treated as a liquidation, dissolution or winding up pursuant to this Section 4(c) twenty (20) days prior to the earlier of the vote relating to such transaction or the closing of such transaction.

(d) Distributions of Property. Whenever the distribution provided for in this Section 4 shall be payable in property other than cash, the value of such distribution shall be the fair market value of such property as determined in good faith by the Board of Directors, unless the holders of 50% or more of the then outstanding shares of Series B Preferred Stock request, in writing, that an independent appraiser perform such valuation, then by an independent appraiser selected by the Board of Directors and reasonably acceptable to 50% or more of the holders of such series of Preferred Stock.

It shall be a condition precedent to any such transfer that the Corporation shall receive an opinion of counsel reasonably acceptable to the Corporation that such certificates may be issued (and the Preferred Stock transferred) pursuant to an available exemption from the registration requirements of applicable state and federal securities laws. Each such new certificate will be registered in such name and will represent such number of shares of Preferred Stock as is required by the holder of the surrendered certificate and will be substantially identical in form to the surrendered certificate.

(11) Notices. Except as otherwise expressly provided, all notices referred to herein will be in writing and will be delivered by registered or certified mail, return receipt requested, postage prepaid and will be deemed to have been given when so mailed (i) to the Corporation, at its principal executive offices and (ii) to any stockholder, at such holder's address as it appears in the stock records of the Corporation (unless otherwise indicated in writing by any such holder).

B. Description and Designation of Series C Preferred Stock.

(1) Designation. A total of 150,000 shares of the Corporation's Preferred Stock shall be designated as "Series C Preferred Stock". As used herein, the term "Preferred Stock" used without reference to the Series C Preferred Stock means the shares of Series C Preferred Stock and the shares of any series of authorized Preferred Stock of the Corporation issued and designated from time to time by a resolution or resolutions of the Board of Directors, share for share alike and without distinction as to class or series, except as otherwise expressly provided below.

Such amounts shall be subject to equitable adjustment whenever there shall occur a stock dividend, stock split, combination, reorganization, recapitalization, reclassification or other similar event involving the Series C Preferred Stock and such amount, as so determined, is referred to herein as the "Series C Liquidation Value" with respect to such shares.

(b) Insufficient Funds. (c) Certain Transactions Treated as Liquidation. The Corporation will provide the holders of Preferred Stock with notice of all transactions which are to be treated

as a liquidation, dissolution or winding up pursuant to this Section 4(c) twenty (20) days prior to the earlier of the vote relating to such transaction or the closing of such transaction.

(d) Distributions of Property. Whenever the distribution provided for in this Section 4 shall be payable in property other than cash, the value of such distribution shall be the fair market value of such property as determined in good faith by the Board of Directors, unless the holders of 50% or more of the then outstanding shares of Series C Preferred Stock request, in writing, that an independent appraiser perform such valuation, then by an independent appraiser selected by the Board of Directors and reasonably acceptable to 50% or more of the holders of such series of Preferred Stock.

It shall be a condition precedent to any such transfer that the Corporation shall receive an opinion of counsel reasonably acceptable to the Corporation that such certificates may be issued (and the Preferred Stock transferred) pursuant to an available exemption from the registration requirements of applicable state and federal securities laws. Each such new certificate will be registered in such name and will represent such number of shares of Preferred Stock as is required by the holder of the surrendered certificate and will be substantially identical in form to the surrendered certificate.

(8) Replacement. Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered holder will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing shares of Preferred Stock, and in the case of any such loss, theft or destruction, upon receipt of an unsecured indemnity from the holder reasonably satisfactory to the Corporation or, in the case of such mutilation upon surrender of such certificate, the Corporation will (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of Preferred Stock represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

(9) No Dilution or Impairment. The Corporation will not, by amendment of its Certificate of Incorporation or through any reorganization, transfer of capital stock or assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of the Preferred Stock set forth herein, but will at all times, in good faith, assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holders of the Preferred Stock hereunder.

(10) Notices of Record Date. In the event of:

(a) any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or any right to subscribe for, purchase or otherwise acquire any shares of capital stock of any class or any other securities or property, or to receive any other right, or

(b) any capital reorganization of the Corporation, any reclassification or recapitalization of the capital stock of the Corporation, any merger or consolidation of the Corporation, or any transfer of all or substantially all of the assets of the Corporation to any other corporation, or any other entity or person, or Corporation,

1.2 OTHER OFFICES.

The corporation's Board of Directors (the "Board") may at any time establish branch or other offices at any place or places where the corporation is qualified to do business.

ARTICLE II - MEETINGS OF STOCKHOLDERS

2.1 PLACE OF MEETINGS.

Meetings of stockholders shall be held at any place, within or outside the State of Delaware, designated by the Board. The Board may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication as authorized by Section 211 of the General Corporation Law of Delaware (the "DGCL"). In the absence of any such designation or determination, stockholders' meetings shall be held at the corporation's principal executive office.

2.2 ANNUAL MEETING.

The annual meeting of stockholders shall be held each year. The Board shall designate the date and time of the annual meeting. At the annual meeting, directors shall be elected and any other proper business may be transacted.

2.3 SPECIAL MEETING.

A special meeting of the stockholders may be called at any time by the Board, chairperson of the Board, chief executive officer or president (in the absence of a chief executive officer), but such special meetings may not be called by any other person or persons.

No business may be transacted at such special meeting other than the business specified in such notice to stockholders. Nothing contained in this paragraph of this Section 2.3 shall be construed as limiting, fixing, or affecting the time when a meeting of stockholders called by action of the Board may be held.

2.4 ADVANCE NOTICE PROCEDURES; NOTICE OF STOCKHOLDERS' MEETINGS.

(i) At an annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be: (A) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the board of directors, (B) otherwise properly brought before the meeting by or at the direction of the board of directors, or (C) otherwise properly brought before the meeting by a stockholder. For business to be properly brought before an annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the secretary of the corporation. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the corporation not more than one hundred twenty (120) calendar days nor less than ninety (90) calendar days before the one year anniversary of the date on which the corporation first mailed its proxy statement to stockholders in connection with the previous year's annual meeting of stockholders; provided, however, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date of the prior year's meeting, notice by the stockholder to be timely must be so received not later than the close of business on the later of one hundred twenty (120) calendar days in advance of such annual meeting and ten (10) calendar days following the date on which public announcement of the date of the meeting is first made. A stockholder's notice to the secretary shall set forth as to each matter the stockholder proposes to bring before the annual meeting: (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (b) the name and address, as they appear on the corporation's books, of the stockholder proposing such business, (c) the class and number of shares of the corporation that are beneficially owned by the stockholder, (d) any material interest of the stockholder in such business, and (e) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), in his capacity as a proponent to a stockholder proposal. Notwithstanding the foregoing, in order to include information with respect to a stockholder proposal in the proxy statement and form of proxy for a stockholder's meeting, stockholders must provide notice as required by the regulations promulgated under the Exchange Act. Notwithstanding anything in these bylaws to the contrary, no business shall be conducted at any annual meeting except in accordance with the procedures set forth in this paragraph (i). The chairman of the annual meeting shall, if the facts warrant, determine and declare at the meeting that business was not properly brought before the meeting and in accordance with the provisions of this paragraph (i), and, if he should so determine, he shall so declare at the meeting that any such business not properly brought before the meeting shall not be transacted.

(ii) Only persons who are nominated in accordance with the procedures set forth in this paragraph (ii) shall be eligible for election as directors. Nominations of persons for election to the board of directors of the corporation may be made at a meeting of stockholders by or at the direction of the board of directors or by any stockholder of the corporation entitled to vote in the election of directors at the meeting who complies with the notice procedures set forth in this paragraph (ii). Such nominations, other than those made by or at the direction of the board of directors, shall be made pursuant to timely notice in writing to the secretary of the corporation in accordance with the provisions of paragraph (i) of this Section 2.4. Such stockholder's notice shall set forth (a) as to each person, if any, whom the stockholder proposes to nominate for election or re-election as a director: (A) the name, age, business address and residence address of such person, (B) the principal occupation or employment of such person, (C) the class and number of shares of the corporation that are beneficially owned by such person, (D) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the stockholder, and (E) any other information relating to such person that is required to be disclosed in solicitations of proxies for elections of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including without limitation such person's written consent to being named in the proxy statement, if any, as a nominee and to serving as a director if elected); and (b) as to such stockholder giving notice, the information required to be provided pursuant to paragraph (i) of this Section 2.4. At the request of the board of directors, any person nominated by a stockholder for election as a director shall furnish to the secretary of the corporation that information required to be set forth in the stockholder's notice of nomination which pertains to the nominee. No person shall be eligible for election as a director of the corporation unless nominated in accordance with the procedures set forth in this paragraph (ii). The chairman of the meeting shall, if the facts warrant, determine and declare at the meeting that a nomination was not made in accordance with the procedures prescribed by these bylaws, and if he should so determine, he shall so declare at the meeting, and the defective nomination shall be disregarded.

These provisions shall not prevent the consideration and approval or disapproval at an annual meeting of reports of officers, directors and committees of the board of directors, but in connection therewith no new business shall be acted upon at any such meeting unless stated, filed and received as herein provided. Notwithstanding anything in these bylaws to the contrary, no business brought

before a meeting by a stockholder shall be conducted at an annual meeting except in accordance with procedures set forth in this Section 2.4. All notices of meetings of stockholders shall be sent or otherwise given in accordance with either Section 2.5 or Section 8.1 of these bylaws not less than 10 nor more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting. The notice shall specify the place, if any, date and hour of the meeting, the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called.

2.5 MANNER OF GIVING NOTICE; AFFIDAVIT OF NOTICE.

Notice of any meeting of stockholders shall be given either (i) personally, (ii) by private courier, (iii) by first- or third-class United States mail, (iv) by other written communication, or (v) by electronic transmission as provided in Section 8.1 or other wireless means. Notices not personally delivered shall be sent postage prepaid, directed to the stockholder at his or her address as it appears on the records of the Corporation or given by the stockholder to the corporation for the purpose of notice. Notice shall be deemed to have been given at the time when delivered personally or by courier or deposited in the mail or sent by other means of written communication or by electronic transmission or other wireless means.

An affidavit of the secretary or an assistant secretary of the corporation or of the transfer agent or any other agent of the corporation that the notice has been given by mail or by a form of electronic transmission, as applicable, shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

2.6 QUORUM.

The holders of a majority of the stock issued and outstanding and entitled to vote, present in person or represented by proxy, shall constitute a quorum for the transaction of business at all meetings of the stockholders. If, however, such quorum is not present or represented at any meeting of the stockholders, then either (i) the chairperson of the meeting, or (ii) the stockholders entitled to vote at the meeting, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present or represented. At such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally noticed.

2.7 ADJOURNED MEETING; NOTICE.

When a meeting is adjourned to another time or place, unless these bylaws otherwise require, notice need not be given of the adjourned meeting if the time, place if any thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

2.8 CONDUCT OF BUSINESS.

The chairperson of any meeting of stockholders shall determine the order of business and the procedure at the meeting, including such regulation of the manner of voting and the conduct of business.

2.9 VOTING.

The stockholders entitled to vote at any meeting of stockholders shall be determined in accordance with the provisions of Section 2.11 of these bylaws, subject to Section 217 (relating to voting rights of fiduciaries, pledgors and joint owners of stock) and Section 218 (relating to voting trusts and other voting agreements) of the DGCL.

Except as may be otherwise provided in the certificate of incorporation or these bylaws, each stockholder shall be entitled to one vote for each share of capital stock held by such stockholder. Except as otherwise provided by the DGCL or the certificate of incorporation, when a quorum is present at any meeting of the stockholders, the vote of the holders of a majority of the shares having voting power present in person or represented by proxy shall decide any action brought to vote before such meeting, other than the

election of directors for which the vote of a plurality of the shares having voting power present in person or represented by proxy is required. There shall be no cumulative voting in the election of directors.

2.10 STOCKHOLDER ACTION BY WRITTEN CONSENT WITHOUT A MEETING.

Any action required or permitted to be taken by the stockholders of the corporation at a duly called annual or special meeting of stockholders of the corporation may be effected by a consent in writing by such stockholders.

2.11 RECORD DATE FOR STOCKHOLDER NOTICE; VOTING; GIVING CONSENTS.

In order that the corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board may fix, in advance, a record date, which record date shall not precede the date on which the resolution fixing the record date is adopted and which shall not be more than sixty (60) calendar days nor less than ten (10) calendar days before the date of such meeting, nor more than sixty (60) calendar days prior to any other such action.

If the Board does not so fix a record date:

(i) The record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held.

(ii) The record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

2.12 PROXIES.

Each stockholder entitled to vote at a meeting of stockholders may authorize another person or persons to act for such stockholder as proxy by executing an instrument in writing or by authorizing the transmission of a telegram, cablegram or other means of electronic transmission (provided that any such telegram, cablegram, or other means of electronic transmission either sets forth or is submitted with information from which it can be determined that the telegram, cablegram, or other means of electronic transmission was authorized by the person) and filed in accordance with the procedure established for the meeting, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. The revocability of a proxy that states on its face that it is irrevocable shall be governed by the provisions of Section 212 of the DGCL.

2.13 LIST OF STOCKHOLDERS ENTITLED TO VOTE.

The officer who has charge of the stock ledger of the corporation shall prepare and make, at least 10 days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. The corporation shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting for a period of at least ten (10) calendar days prior to the meeting: (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (ii) during ordinary business hours, at the corporation's principal executive office. In the event that the corporation determines to make the list available on an electronic network, the corporation may take reasonable steps to ensure that such information is available only to stockholders of the corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be

provided with the notice of the meeting. Such list shall presumptively determine the identity of the stockholders entitled to vote at the meeting and the number of shares held by each of them.

2.14 INSPECTORS OF ELECTION

Before any meeting of stockholders, the board of directors shall appoint an inspector or inspectors of election to act at the meeting or its adjournment. The number of inspectors shall be either one (1) or three (3). If any person appointed as inspector fails to appear or fails or refuses to act, then the chairperson of the meeting may, and upon the request of any stockholder or a stockholder's proxy shall, appoint a person to fill that vacancy.

Such inspectors shall:

- (i) determine the number of shares outstanding and the voting power of each, the number of shares represented at the meeting, the existence of a quorum, and the authenticity, validity, and effect of proxies;
- (ii) receive votes, ballots or consents;
- (iii) hear and determine all challenges and questions in any way arising in connection with the right to vote;
- (iv) count and tabulate all votes or consents;
- (v) determine when the polls shall close;
- (vi) determine the result; and
- (vii) do any other acts that may be proper to conduct the election or vote with fairness to all stockholders.

The inspectors of election shall perform their duties impartially, in good faith, to the best of their ability and as expeditiously as is practical. If there are three (3) inspectors of election, the decision, act or certificate of a majority is effective in all respects as the decision, act or certificate of all. Any report or certificate made by the inspectors of election is prima facie evidence of the facts stated therein.

ARTICLE III - DIRECTORS

3.1 POWERS.

Subject to the provisions of the DGCL and any limitations in the certificate of incorporation or these bylaws relating to action required to be approved by the stockholders or by the outstanding shares, the business and affairs of the corporation shall be managed and all corporate powers shall be exercised by or under the direction of the Board.

3.2 NUMBER OF DIRECTORS.

The authorized number of directors shall be determined from time to time by resolution of the Board, provided the Board shall consist of at least one member. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires.

3.3 ELECTION, QUALIFICATION AND TERM OF OFFICE OF DIRECTORS.

Except as provided in Section 3.4 of these bylaws, each director, including a director elected to fill a vacancy, shall hold office until the expiration of the term for which elected and until such director's successor is elected and qualified or until such director's earlier death, resignation or removal. Directors need not be stockholders unless so required by the certificate of incorporation or these bylaws. The certificate of incorporation or these bylaws may prescribe other qualifications for directors.

3.4 RESIGNATION AND VACANCIES.

Any director may resign at any time upon notice given in writing or by electronic transmission to the corporation. When one or more directors so resigns and the resignation is effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as provided in this section in the filling of other vacancies.

Unless otherwise provided in the certificate of incorporation or these bylaws, vacancies, including vacancies resulting from the removal of a director pursuant to Section 3.11 of these bylaws, and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director. If the directors are divided into classes, a person so elected by the directors then in office to fill a vacancy or newly created directorship shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall have been duly elected and qualified.

If at any time, by reason of death or resignation or other cause, the corporation should have no directors in office, then any officer or any stockholder or an executor, administrator, trustee or guardian of a stockholder, or other fiduciary entrusted with like responsibility for the person or estate of a stockholder, may call a special meeting of stockholders in accordance with the provisions of the certificate of incorporation or these bylaws, or may apply to the Court of Chancery for a decree summarily ordering an election as provided in Section 211 of the DGCL.

3.5 PLACE OF MEETINGS; MEETINGS BY TELEPHONE.

The Board may hold meetings, both regular and special, either within or outside the State of Delaware.

Unless otherwise restricted by the certificate of incorporation or these bylaws, members of the Board, or any committee designated by the Board, may participate in a meeting of the Board, or any committee, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

3.6 REGULAR MEETINGS.

Regular meetings of the Board may be held without notice at such time and at such place as shall from time to time be determined by the Board.

3.7 SPECIAL MEETINGS; NOTICE.

Special meetings of the Board for any purpose or purposes may be called at any time by the chairperson of the Board, the chief executive officer, the president, the secretary or a majority of the authorized number of directors.

Notice of the time and place of special meetings shall be:

- (i) delivered personally by hand, by courier or by telephone;
- (ii) sent by United States first-class mail, postage prepaid;
- (iii) sent by facsimile; or
- (iv) sent by electronic mail, directed to each director at that director's address, telephone number, facsimile number or electronic mail address, as the case may be, as shown on the corporation's records.

If the notice is (i) delivered personally by hand, by courier or by telephone, (ii) sent by facsimile or (iii) sent by electronic mail, it shall be delivered or sent at least 24 hours before the time of the holding of the meeting. If the notice is sent by United States mail, it shall be deposited in the United States mail at least four days before the time of the holding of the meeting. Any oral notice

may be communicated to the director. The notice need not specify the place of the meeting (if the meeting is to be held at the corporation's principal executive office) nor the purpose of the meeting.

3.8 QUORUM.

At all meetings of the Board, a majority of the authorized number of directors shall constitute a quorum for the transaction of business. The vote of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board, except as may be otherwise specifically provided by statute, the certificate of incorporation or these bylaws. If a quorum is not present at any meeting of the Board, then the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

3.9 BOARD ACTION BY WRITTEN CONSENT WITHOUT A MEETING.

Unless otherwise restricted by the certificate of incorporation or these bylaws, any action required or permitted to be taken at any meeting of the Board, or of any committee thereof, may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the Board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

3.10 FEES AND COMPENSATION OF DIRECTORS.

Unless otherwise restricted by the certificate of incorporation or these bylaws, the Board shall have the authority to fix the compensation of directors.

3.11 REMOVAL OF DIRECTORS.

Any director may be removed from office at any special or annual meeting of the shareholders by a majority of stockholders of the Corporation.

No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of such director's term of office.

ARTICLE IV - COMMITTEES

4.1 COMMITTEES OF DIRECTORS.

The Board may, by resolution passed by a majority of the authorized number of directors, designate one or more committees, each committee to consist of one or more of the directors of the corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board or in these bylaws, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the corporation, and may authorize the seal of the corporation to be affixed to all papers that may require it; but no such committee shall have the power or authority to (i) approve or adopt, or recommend to the stockholders, any action or matter expressly required by the DGCL to be submitted to stockholders for approval, or (ii) adopt, amend or repeal any bylaw of the corporation.

4.2 COMMITTEE MINUTES.

Each committee shall keep regular minutes of its meetings and report the same to the Board when required.

4.3 MEETINGS AND ACTION OF COMMITTEES.

Meetings and actions of committees shall be governed by, and held and taken in accordance with, the provisions of:

- (i) Section 3.5 (place of meetings and meetings by telephone);
- (ii) Section 3.6 (regular meetings);
- (iii) Section 3.7 (special meetings and notice);
- (iv) Section 3.8 (quorum);
- (v) Section 3.9 (action without a meeting); and
- (vi) Section 7.12 (waiver of notice) with such changes in the context of those bylaws as are necessary to substitute the committee and its members for the Board and its members; provided, however:
 - (i) the time of regular meetings of committees may be determined either by resolution of the Board or by resolution of the committee;
 - (ii) special meetings of committees may also be called by resolution of the Board; and
 - (iii) notice of special meetings of committees shall also be given to all alternate members, who shall have the right to attend all meetings of the committee. The Board may adopt rules for the governance of any committee not inconsistent with the provisions of these bylaws.

ARTICLE V - OFFICERS

5.1 OFFICERS.

The officers of the corporation shall be a president and a secretary. The corporation may also have, at the discretion of the Board, a chairperson of the Board, a vice chairperson of the Board, a chief executive officer, a chief financial officer or treasurer, one or more vice presidents, one or more assistant vice presidents, one or more assistant treasurers, one or more assistant secretaries, and any such other officers as may be appointed in accordance with the provisions of these bylaws. Any number of offices may be held by the same person.

5.2 APPOINTMENT OF OFFICERS.

The Board shall appoint the officers of the corporation, except such officers as may be appointed in accordance with the provisions of Sections 5.3 and 5.5 of these bylaws, subject to the rights, if any, of an officer under any contract of employment.

5.3 SUBORDINATE OFFICERS.

The Board may appoint, or empower the chief executive officer or, in the absence of a chief executive officer, the president, to appoint, such other officers and agents as the business of the corporation may require. Each of such officers and agents shall hold office for such period, have such authority, and perform such duties as are provided in these bylaws or as the Board may from time to time determine.

5.4 REMOVAL AND RESIGNATION OF OFFICERS.

Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, either with or without cause, by an affirmative vote of the majority of the Board at any regular or special meeting of the Board or, except in the case of an officer chosen by the Board, by any officer upon whom such power of removal may be conferred by the Board.

Any officer may resign at any time by giving written notice to the corporation. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice. Unless otherwise specified in the notice of resignation, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the corporation under any contract to which the officer is a party.

5.5 VACANCIES IN OFFICES.

Any vacancy occurring in any office of the corporation shall be filled by the Board or as provided in Section 5.2.

5.6 REPRESENTATION OF SHARES OF OTHER CORPORATIONS.

The chairperson of the Board, the president, any vice president, the treasurer, the secretary or assistant secretary of this corporation, or any other person authorized by the Board or the president or a vice president, is authorized to vote, represent, and exercise on behalf of this corporation all rights incident to any and all shares of any other corporation or corporations standing in the name of this corporation. The authority granted herein may be exercised either by such person directly or by any other person authorized to do so by proxy or power of attorney duly executed by such person having the authority.

5.7 CHAIRPERSON OF THE BOARD.

The chairperson of the Board, if such an officer be elected, shall, if present, preside at meetings of the board of directors and exercise such other powers and perform such other duties as may from time to time be assigned to him by the board of directors or as may be prescribed by these bylaws. If there is no chairperson of the Board, then the chief executive officer of the corporation shall have the powers and duties prescribed herein.

5.8 CHIEF EXECUTIVE OFFICER.

Subject to such supervisory powers, if any, as may be given by the Board to the chairperson of the Board, if there be such an officer, the chief executive officer of the corporation shall, subject to the control of the Board, have general supervision, direction and control of the business and the officers of the corporation. He or she shall preside at all meetings of the stockholders and, in the absence or nonexistence of a chairperson of the Board, at all meetings of the Board.

5.9 PRESIDENT.

Subject to such supervisory powers, if any, as may be given by the Board to the chief executive officer, if there be such an officer, the president of the corporation shall, subject to the control of the Board, have general supervision over the operations of the corporation. He or she shall have the general powers and duties of management usually vested in the office of president of a corporation and shall have such other powers and perform such other duties as may be prescribed by the Board or these bylaws.

5.10 VICE PRESIDENTS.

In the absence or disability of the president, and if there is no chairperson of the Board, the vice presidents, if any, in order of their rank as fixed by the Board or, if not ranked, a vice president designated by the Board, shall perform all the duties of the president and when so acting shall have all the powers of, and be subject to all the restrictions upon, the president. The vice presidents shall have such other powers and perform such other duties as from time to time may be prescribed for them respectively by the Board, these bylaws, the president or the chairperson of the Board.

5.11 SECRETARY.

The secretary shall keep or cause to be kept, at the principal executive office of the corporation or such other place as the Board may direct, a book of minutes of all meetings and actions of the Board, committees of directors and stockholders. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at directors' meetings or committee meetings, the number of shares present or represented at stockholders' meetings and the proceedings thereof.

The secretary shall keep, or cause to be kept, at the principal executive office of the corporation or at the office of the corporation's transfer agent or registrar, as determined by resolution of the Board, a share register or a duplicate share register, showing the names of all stockholders and their addresses, the number and classes of shares held by each, and, if certificates have been issued, the number and date of certificates evidencing such shares and the number and date of cancellation of every certificate surrendered for cancellation.

The secretary shall give, or cause to be given, notice of all meetings of the stockholders and of the Board required to be given by law or by these bylaws. He or she shall keep the seal of the corporation, if one be adopted, in safe custody and shall have such other powers and perform such other duties as may be prescribed by the Board or by these bylaws.

5.12 CHIEF FINANCIAL OFFICER.

The chief financial officer shall keep and maintain, or cause to be kept and maintained, adequate and correct books and records of accounts of the properties and business transactions of the corporation, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, retained earnings and shares. The books of account shall at all reasonable times be open to inspection by any director for a purpose reasonably related to his position as a director.

The chief financial officer shall deposit all money and other valuables in the name and to the credit of the corporation with such depositaries as may be designated by the Board. He or she shall disburse the funds of the corporation as may be ordered by the Board, shall render to the president and directors, whenever they request it, an account of all of his or her transactions as chief financial officer and of the financial condition of the corporation, and shall have such other powers and perform such other duties as may be prescribed by the Board or these bylaws.

5.13 AUTHORITY AND DUTIES OF OFFICERS.

In addition to the foregoing authority and duties, all officers of the corporation shall respectively have such authority and perform such duties in the management of the business of the corporation as may be designated from time to time by the Board or the stockholders and, to the extent not so provided, as generally pertain to their respective offices, subject to the control of the Board.

ARTICLE VI - RECORDS AND REPORTS

6.1 MAINTENANCE AND INSPECTION OF RECORDS.

The corporation shall, either at its principal executive office or at such place or places as designated by the Board, keep a record of its stockholders listing their names and addresses and the number and class of shares held by each stockholder, a copy of these bylaws as amended to date, accounting books, and other records.

Any stockholder of record, in person or by attorney or other agent, shall, upon written demand under oath stating the purpose thereof, have the right during the usual hours for business, at such stockholder's expense, to inspect for any proper purpose the corporation's stock ledger, a list of its stockholders, and its other books and records and to make copies or extracts therefrom. A proper purpose shall mean a purpose reasonably related to such person's interest as a stockholder. In every instance where an attorney or other agent is the person who seeks the right to inspection, the demand under oath shall be accompanied by a power of attorney or such other writing that authorizes the attorney or other agent so to act on behalf of the stockholder. The demand under oath shall be directed to the corporation at its registered office in Delaware or at its principal executive office.

6.2 INSPECTION BY DIRECTORS.

Any director shall have the right to examine the corporation's stock ledger, a list of its stockholders, and its other books and records for a purpose reasonably related to his or her position as a director. The Court of Chancery is hereby vested with the exclusive jurisdiction to determine whether a director is entitled to the inspection sought. The Court may summarily order the corporation to permit the director to inspect any and all books and records, the stock ledger, and the stock list and to make copies or extracts therefrom.

The Court may, in its discretion, prescribe any limitations or conditions with reference to the inspection, or award such other and further relief as the Court may deem just and proper.

ARTICLE VII - GENERAL MATTERS

7.1 EXECUTION OF CORPORATE CONTRACTS AND INSTRUMENTS.

The Board, except as otherwise provided in these bylaws, may authorize any officer or officers, or agent or agents, to enter into any contract or execute any instrument in the name of and on behalf of the corporation; such authority may be general or confined to specific instances. Unless so authorized or ratified by the Board or within the agency power of an officer, no officer, agent or employee shall have any power or authority to bind the corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

7.2 STOCK CERTIFICATES; PARTLY PAID SHARES.

The shares of the corporation shall be represented by certificates, provided that the Board may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the corporation. Notwithstanding the adoption of such a resolution by the Board, every holder of stock represented by certificates shall be entitled to have a certificate signed by, or in the name of the corporation by the chairperson or vice-chairperson of the Board, or the president or vice-president, and by the treasurer or an assistant treasurer, or the secretary or an assistant secretary of such corporation representing the number of shares registered in certificate form. Any or all of the signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate has ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if he were such officer, transfer agent or registrar at the date of issue. The corporation also may issue paperless book-entry shares as a pre-condition for inclusion in the DWAC/FAST and DRS Profile systems offered by The Depository Trust & Clearing Corporation.

The corporation may issue the whole or any part of its shares as partly paid and subject to call for the remainder of the consideration to be paid therefor. Upon the face or back of each stock certificate issued to represent any such partly paid shares, or upon the books and records of the corporation in the case of uncertificated partly paid shares, the total amount of the consideration to be paid therefor and the amount paid thereon shall be stated. Upon the declaration of any dividend on fully paid shares, the corporation shall declare a dividend upon partly paid shares of the same class, but only upon the basis of the percentage of the consideration actually paid thereon.

7.3 SPECIAL DESIGNATION ON CERTIFICATES.

If the corporation is authorized to issue more than one class of stock or more than one series of any class, then the powers, the designations, the preferences, and the relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or back of the certificate that the corporation shall issue to represent such class or series of stock; provided, however, that, except as otherwise provided in Section 202 of the DGCL, in lieu of the foregoing requirements there may be set forth on the face or back of the certificate that the corporation shall issue to represent such class or series of stock a statement that the corporation will furnish without charge to each stockholder who so requests the powers, the designations, the preferences, and the relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

7.4 LOST CERTIFICATES.

Except as provided in this Section 7.4, no new certificates for shares shall be issued to replace a previously issued certificate unless the latter is surrendered to the corporation and cancelled at the same time. The corporation may issue a new certificate of stock or uncertificated shares in the place of any certificate theretofore issued by it, alleged to have been lost, stolen or destroyed, and the corporation may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the corporation a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

7.5 CONSTRUCTION; DEFINITIONS.

Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the DGCL shall govern the construction of these bylaws. Without limiting the generality of this provision, the singular number includes the plural, the plural number includes the singular, and the term “person” includes both a business entity and a natural person.

7.6 DIVIDENDS.

The Board, subject to any restrictions contained in either (i) the DGCL, or (ii) the certificate of incorporation, may declare and pay dividends upon the shares of its capital stock. Dividends may be paid in cash, in property, or in shares of the corporation’s capital stock.

The Board may set apart out of any of the funds of the corporation available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve. Such purposes shall include but not be limited to equalizing dividends, repairing or maintaining any property of the corporation, and meeting contingencies.

7.7 FISCAL YEAR.

The fiscal year of the corporation shall be fixed by resolution of the Board and may be changed by the Board.

7.8 SEAL.

The corporation may adopt a corporate seal, which shall be adopted and which may be altered by the Board. The corporation may use the corporate seal by causing it or a facsimile thereof to be impressed or affixed or in any other manner reproduced.

7.9 TRANSFER OF STOCK.

To the extent that certificates have been issued, upon surrender to the corporation or the transfer agent of the corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignation or authority to transfer, it shall be the duty of the corporation to issue a new certificate to the person entitled thereto, cancel the old certificate, and record the transaction in its books.

7.10 STOCK TRANSFER AGREEMENTS.

The corporation shall have power to enter into and perform any agreement with any number of stockholders of any one or more classes of stock of the corporation to restrict the transfer of shares of stock of the corporation of any one or more classes owned by such stockholders in any manner not prohibited by the DGCL.

7.11 REGISTERED STOCKHOLDERS.

The corporation:

(i) shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends and to vote as such owner;

(ii) shall be entitled to hold liable for calls and assessments the person registered on its books as the owner of shares; and

(iii) shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of another person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Delaware.

7.12 WAIVER OF NOTICE.

Whenever notice is required to be given under any provision of the DGCL, the certificate of incorporation or these bylaws, a written waiver, signed by the person entitled to notice, or a waiver by electronic transmission by the person entitled to notice, whether before or after the time of the event for which notice is to be given, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders need be specified in any written waiver of notice or any waiver by electronic transmission unless so required by the certificate of incorporation or these bylaws.

7.13 FORUM FOR ADJUDICATING DISPUTES.

(a) Unless the Corporation consents in writing to the selection of an alternative forum, to the fullest extent permitted by law, the Court of Chancery of the State of Delaware (or, if that court lacks subject matter jurisdiction, another federal or state court situated in the State of Delaware) shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL, the certificate of incorporation or these bylaws, or (iv) any action asserting a claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 7.13.

(b) Unless the Corporation consents in writing to the selection of an alternative forum, to the fullest extent permitted by law, the federal district courts of the United States situated in the State of Delaware shall be the exclusive forum for the resolution of any complaint asserting a cause of action under the Securities Act of 1933 and the Securities Exchange Act of 1934. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the corporation shall be deemed to have notice of and consented to the provisions of this Section 7.13.

(c) If any action the subject matter of which is within the scope of Section 7.13(a) above is filed in a court other than a court located within the State of Delaware (a "Foreign Action") in the name of any stockholder, such stockholder shall be deemed to have consented to (i) the personal jurisdiction of the state and/or federal courts (as applicable) located within the State of Delaware in connection with any action brought in any such court to enforce Section 7.13(a) above (an "FSC Enforcement Action") and (ii) having service of process made upon such stockholder in any such FSC Enforcement Action by service upon such stockholder's counsel in the Foreign Action as agent for such stockholder.

(d). If any provision or provisions of this Section 7.13 shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 7.13 (including, without limitation, each portion of any sentence of this Section 7.13 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 7.13.

ARTICLE VIII - NOTICE BY ELECTRONIC TRANSMISSION

8.1 NOTICE BY ELECTRONIC TRANSMISSION.

Without limiting the manner by which notice otherwise may be given effectively to stockholders pursuant to the DGCL, the certificate of incorporation or these bylaws, any notice to stockholders given by the corporation under any provision of the DGCL, the certificate of incorporation or these bylaws shall be effective if given by a form of electronic transmission consented to by the stockholder to whom the notice is given. Any such consent shall be revocable by the stockholder by written notice to the corporation. Any such consent shall be deemed revoked if:

(i) the corporation is unable to deliver by electronic transmission two consecutive notices given by the corporation in accordance with such consent; and

(ii) such inability becomes known to the secretary or an assistant secretary of the corporation or to the transfer agent, or other person responsible for the giving of notice.

However, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

Any notice given pursuant to the preceding paragraph shall be deemed given:

- (i) if by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice;
- (ii) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice;
- (iii) if by a posting on an electronic network together with separate notice to the stockholder of such specific posting, upon the later of (A) such posting and (B) the giving of such separate notice; and
- (iv) if by any other form of electronic transmission, when directed to the stockholder.

An affidavit of the secretary or an assistant secretary or of the transfer agent or other agent of the corporation that the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

8.2 DEFINITION OF ELECTRONIC TRANSMISSION.

An “electronic transmission” means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved, and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process.

8.3 INAPPLICABILITY.

Notice by a form of electronic transmission shall not apply to Sections 164, 296, 311, 312 or 324 of the DGCL.

The corporation shall be required to indemnify a person in connection with a Proceeding initiated by such person only if the Proceeding was authorized by the Board.

9.2 INDEMNIFICATION OF OTHERS

The corporation may indemnify and hold harmless, to the extent permitted by the DGCL as it presently exists or may hereafter be amended, any employee or agent of the corporation who was or is made or is threatened to be made a party or otherwise involved in any Proceeding by reason of the fact that he or she is or was an employee or agent of the corporation or is or was serving at the written request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or enterprise against expenses actually and reasonably incurred by such person in connection with any such Proceeding.

9.3 PREPAYMENT OF EXPENSES

The corporation shall pay the expenses incurred by any officer or director of the corporation, and may pay the expenses incurred by any employee or agent of the corporation, in defending any Proceeding in advance of its final disposition; provided, however, that the payment of expenses incurred by a person in advance of the final disposition of the Proceeding shall be made only upon receipt of an undertaking by the person to repay all amounts advanced if it should be determined that the person is not entitled to be indemnified under this Article IX or otherwise.

9.4 DETERMINATION; CLAIM

If a claim for indemnification or payment of expenses under this Article IX is not paid in full within sixty days after a written claim therefor has been received by the corporation the claimant may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim.

9.5 NON-EXCLUSIVITY OF RIGHTS

The rights conferred on any person by this Article IX shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of the certificate of incorporation, these bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

9.6 INSURANCE

The corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability under the provisions of the DGCL.

9.7 OTHER INDEMNIFICATION

The corporation's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or non-profit entity shall be reduced by any amount such person may collect as indemnification from such other corporation, partnership, joint venture, trust, enterprise or non-profit enterprise.

9.8 AMENDMENT OR REPEAL

Any repeal or modification of the foregoing provisions of this Article IX shall not adversely affect any right or protection hereunder of any person in respect of any act or omission occurring prior to the time of such repeal or modification.
