To Whom It May Concern:

You, OTC Markets Group, Inc., are entitled to rely on this letter in determining whether Energy Finders Inc., (“EGYF”) has made adequate current information publicly available within the meaning of Rule 144c (2) under the Securities Act of 1933 (“The ACT”).

I am a resident of the United States, and my firm has been retained as EGYF’s counsel to assist with Corporate compliance. Our services include but are not limited to: giving general legal advice related to OTC Guidelines, assist with reviewing and the preparation of disclosure information, compliance and reviewing current information supplied by the issuer, assisting with corporate structure, if needed, meeting with officers and other agents of the company. I do not own any shares of common or preferred stock of the issuer. I do not have an agreement to receive shares in the future as payment for services.

In furtherance of my duties as counsel for the issuer, I have examined such corporate records, and other documents, and such questions of law, as I have considered necessary or appropriate for the purpose of rendering this letter. I have reviewed and relied on information from the Secretary of the State of Nevada and information obtained from the Company’s officers, directors, and agents. Counsel has relied upon information obtained from public officials, officers of the issuer, and other sources as to matters of fact. Counsel believes all such sources were reliable.

I have also reviewed the following documents and related information posted at www.OTCMarkets.com and publicly available through the OTC disclosures and News Service in connection with the preparation of this letter, which I believe to be reliable:

Counsel prepared this letter pursuant to the requirements of OTC Markets Disclosure and New Service and the laws of the State of Nevada, and the United States of America. Counsel has not been suspended or barred from the practice of law in any state or jurisdiction, and I have not been charged in a civil or criminal case within the past five years.

Counsel has not in the past five years, been the subject of an investigation, hearing, or proceeding by the SEC, the U.S Commodity Futures Trading Commission (CFTC), the Financial Industry Regulatory Authority (FINRA), or any other federal, state, or foreign regulatory agency.

The Company is not a reporting issuer under the Security Exchange Act of 1934 and, therefore, does not file periodic reports with the SEC, at this time. The Company expects to regain its reporting status with the SEC in the future.

The information provided to OTC Markets Group, Inc., via posting through the OTC Disclosure and News Service, in my opinion constitutes adequate current public information concerning the Securities and the Company, and it is available within the meaning of Rule 144(c)(2) under the Securities Act. It includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the securities under Rule 15c2-11 under the Securities and Exchange Act of 1934 (“Exchange Act”), and complies as to form with the OTC Markets Group’s Pink Basic Disclosure Guidelines, which are located on the internet at www.OTCMarkets.com, and has been posted through the OTC Disclosure & News Service.

Counsel resides in Las Vegas Nevada, Director Mohammed Zulfiquar resides in Birmingham England. Due to the safety, travel, and quarantine restrictions mandated by the Covid 19 pandemic, and the recent upsurge of the Delta Variant, the parties were not able to meet in person. However, the parties were able to meet via virtual means and discussed the documents reviewed by counsel with the Company, (ii) reviewed the Information, as amended, published by the Issuer through the OTC Disclosure & News Service and (iii) discussed the Information with management and a majority of the directors of the Issuer.

Based on my review of the history of this company, the issuer, there is a gap of several years where the Company did not post financial information therefore Counsel cannot opine that it has never been a “shell company” as defined in Rules 405 of the Securities Act of 1933 and 12b-2 of the Exchange Act of 1934.

To the best of my knowledge, after inquiry of management and the directors of the Company, neither counsel nor any officer, director or 5% of greater holder of the outstanding securities of the Company is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities law.

The business address for the company is:
