NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The accompanying unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the estimated useful lives of property and equipment. Actual results could differ from those estimates.

Cash equivalents

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. There were no cash equivalents for the years ended June 30, 2021 or 2020.

Recently issued accounting pronouncements

The Company has implemented all new accounting pronouncements that are in effect. These pronouncements did not have any material impact on the financial statements unless otherwise disclosed, and the Company does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

NOTE 3 - GOING CONCERN

The Company's unaudited financial statements are prepared using accounting principles generally accepted in the United States of America applicable to a going concern that contemplates the realization of assets and liquidation of liabilities in the normal course of business. The Company has not established any source of revenue to cover its operating costs and has an accumulated deficit of Nil. These conditions raise substantial doubt about the company's ability to continue as a going concern. The Company will engage in limited activities without incurring significant liabilities that must be satisfied in cash until a source of funding is secured. The Company will offer noncash consideration and seek equity lines as a means of financing its operations. If the Company is unable to obtain revenue producing contracts or financing or if the revenue or financing it does obtain is insufficient to cover any operating losses it may incur, it may substantially curtail or terminate its operations or seek other business opportunities through strategic alliances, acquisitions or other arrangements that may dilute the interests of existing stockholders.

NOTE 4 – CONVERTIBLE NOTES PAYABLE

There are no convertible notes payable.

NOTE 5 – RELATED PARTY TRANSACTION

None

NOTE 6 – PREFERRED STOCK

The Company has 10,000,000 authorized shares of Series A Convertible Preferred Stock, and 100,000 issued and outstanding.
