5) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. In answering this item, please include the following:

A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

Perpetual Industries Inc. ("Perpetual") is a Nevada corporation incorporated on January 26, 2005.

⁴ The financial statements requested pursuant to this item must be prepared in accordance with US GAAP or IFRS by persons with sufficient financial skills.

Perpetual has headquarters for its operations and research and development with a principal business address at 2193 Rotunda Dr., Auburn, Indiana, USA, 46706. Phone: 702-707-9811.

Perpetual is an emerging growth company with an impressive R&D portfolio, income-generating divisions and wholly-owned subsidiary. It is an incubator for innovative new technology. The company focuses on the development of disruptive, energy-efficient technologies and commercialization of products with the potential to impact and advance a wide range of industries on a global scale. The company is simultaneously leveraging its knowledge of energy-efficient technology and expertise in the development of low-cost, green energy solutions for various industries, including artificial intelligence, blockchain mining, graphic rendering, renewable energy, cloud computing and internet of things ("IoT"). All research and development, and other work relating to its subsidiary and core divisions are performed internally at the company's Indiana facility.

B. Please list any subsidiaries, parents, or affiliated companies.

Perpetual Industries has one wholly owned subsidiary, Worldwide Auctioneers. Worldwide is a boutique auction company that specializes in the sale and acquisition of classic vintage motorcars at auction around the globe. They also offer an extensive range of personalized services to collectors, including private sales, appraisal, collection direction and consultancy, estate planning, and asset management. Worldwide is a leader in the Collector Car Auction industry with an impressive 20 year history and a talented team of experienced people. Worldwide houses a physical and virtual showroom, and a dedicated memorabilia division at its extensive headquarters located in Auburn, Indiana.

C. Describe the issuers' principal products or services.

Perpetual Industries is an incubator of new technology and solutions relevant for integration and application across a wide variety of sectors. The Company operates four main business segments: (1) Research and development of energy efficient technologies, (2) Cryptocurrency mining, (3) Software Development, and (4) Classic collector car sales. The company's divisions within the segments include; blockchain development, bitcoin mining, WindSilo vertical axis wind turbine (renewable energy source), AutoGrafic custom SaaS based mobile App (artificial intelligence, graphic rendering, cloud computing), XYO Mechanical Balancing Technology, XYO enhanced OEM domestic washing machine, and the sale and acquisition of classic vintage collector motorcars at auction around the globe with wholly owned subsidiary, Worldwide Auctioneers.

Segments and Divisions:

Perpetual Industries closed two key acquisitions in 2021, which now form powerful synergistic subsidiaries and divisions of the company, increase its footprint across multiple rapidly growing markets and expand its diverse revenue streams. In addition, the company is working on the development of solutions that integrate the powerful capabilities of disruptive blockchain technology.

Cryptocurrency Mining. - The Company is strategically focused on rapidly growing our blockchain division with a large-scale expansion of our data center in Indiana to take advantage of the opportunity in the bitcoin mining sector. Plans include major upgrades to our data center facility, acquisition of specialized computers called Application-specific Integrated Circuits ("ASICs"), computer processing equipment, data storage, software, and additions to electrical infrastructure.

Blockchain - Perpetual Industries is developing decentralized applications and in-house blockchain tokens to support growth, sales and loyalty across all of its divisions that include DApps, digital coins, & tokens, loyalty programs, and smart contracts.

Worldwide Auctioneers- Wholly Owned Subsidiary - The Worldwide Group LLC, operating as Worldwide Auctioneers, is a U.S.- based boutique auction firm. Acquired in January of 2021, this segment of Perpetual specializes in the sale and acquisition of classic vintage motorcars at auction around the globe. Worldwide has a successful 20-year track record and a talented leadership team focused on an extensive range of personalized services to collectors, including private sales, appraisal, collection direction and consultancy, estate planning, and asset management.

AutoGrafic Software System - AutoGrafic is a software-as-a-service (“SaaS”) and social application that utilizes cutting-edge technology to host a myriad of capabilities for automotive promotion and preservation. AutoGrafic serves as an additional foundational component of Perpetual Industries’ rapidly expanding blockchain division. The application is expected to greatly benefit Worldwide Auctioneers by bringing new innovation and technology to its customers and the overall collector car industry. Perpetual Industries intends to capitalize on this growing marketplace sector through creating an immersive interactive experience as well as a central hub designed to attract the next generation of car enthusiasts.

R&D Portfolio:

Green Energy Mining Solution (GEM) - Leveraging expertise and knowledge of environmentally friendly technologies, Perpetual Industries is developing low cost, environmentally responsible energy solutions designed to power large-scale data center and blockchain mining operations. The company’s Green Energy Mining (“GEM”) solution aims to be powered by Perpetual Industries’ proprietary vertical access wind turbines and other renewable, cost-effective surplus energy sources such as stranded gas, solar farms and hydro-electric dams.

XYO Mechanical Balancing Technology – The XYO Technology delivers energy efficient, high performance solutions by reducing vibration levels caused by unbalanced mass for rotating equipment, machinery and devices. XYO can be customized for virtually everything that rotates, creating an unlimited market potential. This is a core division and key area of focus in the Company that includes research, development, and commercialization of new and innovative energy efficient products that delivers high-performance solutions that overcome challenges and inefficiencies that commonly impact rotating equipment, machinery, and devices.

WindSilo Vertical Axis Wind Turbine (VAWT) – The Company’s WindSilo turbine utilizes the Company’s proprietary XYO Technology, which substantially improves balancing issues that are common in wind turbines today. Our unique design is under development to optimize spin speeds and features omni-directional capabilities with the ability to control wind source at all altitudes. The WindSilo design is being engineered to allow for much faster spin speeds and greater energy output. Through the implementation and addition of the XYO Technology into the turbine design, expensive traditional balancing methods could be eliminated while increasing performance, reliability and efficiency.

XYO Washing Machine – Perpetual has plans to develop a proprietary domestic washing machine design implementing XYO Mechanical Balancers to dynamically compensate for variable mass imbalance during the spin cycle. The Company expects this innovative, energy-efficient domestic washing machine to deliver a number of benefits, including higher spin speeds, reduced energy consumption, decreased noise emissions and less mechanical wear & tear. This proprietary domestic washing machine design dynamically solves vibration at the source

6) Issuer’s Facilities
