**INDO GLOBAL EXCHANGE(S) PTE, LTD.**  
**NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS**  
**Period Ended January 31, 2022**

**NOTE 1 –ORGANIZATION AND BASIS OF PRESENTATION**

We were organized under the laws of the State of Nevada on May 7, 2008 under the name “Claridge Ventures, Inc.” with an initial focus on the acquisition and exploration of mineral properties in the State of Nevada. On August 6, 2013, we effected a 1 for 4 reverse split of its common stock and changed our name to “Indo Global Exchange(s) PTE. Ltd”. We had two wholly owned subsidiaries: International Global Exchange (Aust) Pty Ltd and PT GriyaMatahari Bali. International Global Exchange (Aust) Pty Ltd is based in Australia and was set up for the purpose of entering into the introducing broker agreement with Halifax. PT GriyaMatahari Bali is based in Indonesia and was set up to allow us to operate in Indonesia under Indonesia law.

On September 23, 2013 (the “Closing Date”), Indo Global Exchange(s) Pte. Ltd., a Nevada corporation (formerly Claridge Ventures, Inc.) (the “Registrant” or “Company”), closed an asset purchase transaction (the “Transaction”) with Indo Global Exchange PTE LTD., a company organized under the laws of Singapore (“Indo Global”) and the shareholders of Indo Global (“Selling Shareholders”) pursuant to an Amended and Restated Asset Purchase Agreement dated as of the closing Date (the “Purchase Agreement”) by and among the Company, Indo Global, and the Selling Shareholders.

In accordance with the terms of the Purchase Agreement, on the Closing Date, the Company issued 43,496,250 shares of its common stock (the “Shares”) directly to the Selling Shareholders in exchange for certain assets of Indo Global (the “Assets”) including, rights to enter into certain agreements and certain intellectual property. The Company did not acquire any plant and equipment, and any other business and operational assets of Indo Global as part of the Assets, and the Company did not hire any employees of Indo Global. Indo Global continued as an independent company, operating in Singapore after the Transaction.

On May 29, 2014, Indo Global Exchange(s) Pte. Ltd. (the “Company”) entered into an engagement agreement (the “Agreement”) with International Global Exchange (AUST) (“IGE”), PT GriyaMatahari Bali, and Kina Securities Limited (“Kina”) with an effective date of November 25, 2013. Pursuant to the terms of the Agreement, Kina appointed the Company, IGE and PT GriyaMatahari Bali (collectively, “IGEX”) to provide certain services to Kina, including use of IGEX’s comprehensive online trading platform for Kina referred clients. The platform included access to 21 global equity exchanges, account statements in real time, live streaming news and other features and capabilities. The term of the Agreement was ten (10) years subject to termination for cause or without cause upon 120 days’ notice to the other party. Kina could terminate the Agreement for cause upon the occurrence of certain events, including the following: IGEX (i) has a liquidator or receiver

appointed, (ii) becomes an externally administered body, (iii) passes a resolution for winding up, (iv) is guilty of any fraudulent act or willful misconduct which is related to the Agreement, or (v) breaches the terms of the Agreement.

On November 26, 2015, the company appointed Goldhurst and Schnider of Melbourne, Australia to formally notify Kina that they were in breach of the contract. ## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Presentation**

The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and are stated in US dollars. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date(s) of the financial statements and the reported amounts of revenues and expenses during the reporting period(s).

#### Principles of Consolidation

The accompanying consolidated financial statements represent the consolidated financial position and results of operations of the Company and its subsidiaries. All intercompany transactions and balances have been eliminated in consolidation.

#### Cash and Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

#### Income Taxes

The Company records income taxes in accordance with the provisions of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740, "Income Taxes." The standard requires, among other provisions, an asset and liability approach to recognize deferred tax liabilities and assets for the expected future tax consequences of temporary differences between the financial statement carrying amounts and tax basis of assets and liabilities. Valuation allowances are provided if based upon the weight of available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. Basic and Diluted Loss Per Share Net loss per share is calculated in accordance with FASB ASC 260, Earnings Per Share, for the period presented. ASC 260 requires presentation of basic earnings per share and diluted earnings per share. Basic income (loss) per share ("Basic EPS") is computed by dividing net loss available to common stockholders by the weighted average number of common shares outstanding during the period. Diluted earnings per share ("Diluted EPS") is similarly calculated. Dilution is computed by applying the treasury stock method. Under this method, options and warrants are assumed to be exercised at the beginning of the period (or at the time of issuance, if later), and as if funds obtained thereby were used to purchase common stock at the average market price during the period. For the period end October 31, 2020 and October 31, 2019, respectively, there were no potentially dilutive shares outstanding.

#### **NOTE 3 - GOING CONCERN**

These financial statements are presented on the basis that the Company is a going concern, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business over a reasonable length of time. For the

period end January 31, 2022 the Company had incurred accumulated losses since inception of \$10,240,620. The financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or the amounts and classification of liabilities that might be necessary should the company be unable to continue as a going concern. Its continuation as a going concern is dependent upon its ability to generate sufficient cash flow to meet its obligations on a timely basis, to obtain additional financing or refinancing as may be required, and ultimately to establish profitable operations.

Management's plans for the continuation of the Company as a going concern include financing the company's operations through issuance of its common stock. If the Company is unable to complete its financing requirements or achieve revenue as projected, it will then modify its expenditures and plan of operations to coincide with the actual financing completed and actual operating revenues. There are no assurances, however, with respect to the future success of these plans.
