

Alternative Reporting Standard: Pink® Basic Disclosure Guidelines

Federal securities laws, such as Rules 10b-5 and 15c2-11 of the Securities Exchange Act of 1934 (“Exchange Act”) as well as Rule 144 of the Securities Act of 1933 (“Securities Act”), and state Blue Sky laws, require issuers to provide *current information* to the public markets. With a view to facilitating compliance with these laws, OTC Markets Group has created these Pink Basic Disclosure Guidelines (“Guidelines”).¹ These Guidelines set forth the disclosure obligations that make up the “Alternative Reporting Standard” for Pink companies. These Guidelines have been designed to encompass the “Catch All” information required in Rule 15c2-11,² however they have not been reviewed by the U.S. Securities and Exchange Commission or any state securities regulator. We use information provided by companies under these Guidelines to designate the appropriate tier in the Pink Market: Current Information or Limited Information.³

These Guidelines may be amended from time to time, in the sole and absolute discretion of OTC Markets Group, with or without notice. The information provided by companies under these Guidelines is subject to our [Privacy Policy](#).

During April 2021 the Company received a Plaintiff's Petition, in the State of Texas, District Court, Tarrant County, from Word of God Fellowship, Inc., naming former officers of the Company as well as the Company in connection with funds the Plaintiff had invested with Power it Perfect. Power it Perfect was previously a related party but is no longer a related party. The Company currently has a note payable in the amount of \$1,114,207 owed to Power it Perfect. The claim against the Company is that the Company benefitted from fraudulent actions by previous officers of the Company. The Company is accused of conspiracy and of holding \$400,000 that allegedly belongs to the plaintiff. This litigation matter is in its early stage, and more discovery will have to be conducted; but at this stage the claims against The Company appear to be weak. The primary claims are against the other defendants. We plan to vigorously contest the lawsuit, and we believe any alleged damages can be significantly reduced or eliminated altogether.
