The unaudited financial statements include all adjustments (consisting of normal recurring adjustments) which are, in the opinion of management, necessary in order to make the condensed financial statements not misleading. Notes to the financial statements which would substantially duplicate the disclosures contained in the annual financial statements for the most recent fiscal period, as reported in the Annual Report, have been omitted.

The accompanying financial statements have been prepared on a going concern basis which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. As shown in the financial statements, the Company has incurred recurring net losses since its inception and has raised limited capital. These factors raise substantial doubt regarding the Company’s ability to continue as a going concern. The financial statements do not include any adjustment relating to the recoverability and classification of liabilities that might be necessary should the Company be unable to continue as a going concern. The Company is taking certain steps to provide the necessary capital to continue its operations. These steps include but are not limited to: 1) focus on our new business model and 2) raising equity or debt financing.
