RE: Performance Drink Group, Inc. ("The Issuer")

Dear Sir or Madam:

I represent Performance Drink Group, Inc., (Symbol: PDPG), a Colorado corporation (the "Issuer") as its legal counsel for OTC disclosure matters.

In the interests of full disclosure, Liberty International Holding Corp., (Symbol: LIHC) formally changed its name to Performance Drink Group, Inc., and its symbol to PDPG, effective April 26, 2021.

My client has requested that I render a legal opinion as to whether there is adequate current information available on the OTC Disclosure and News Service for the Issuer and related matters relative to its Annual Disclosure Statement and Financial Statements for the year ended ended December 31, 2021 as well as the Quarterly Disclosure Statement and Financial statements for the period ended March 31, 2022. I am not an employee of the Issuer and I have received no shares of the Issuer's stock in payment for my services. Further, I have no agreement in place to receive future shares of the Issuer's stock in payment for services and I do not own, directly or beneficially, any shares of the Issuer's securities.

This opinion is meant to apply to the laws of the United States. I am a resident of the United States and licensed to practice in the state courts of Oregon and Washington and am also admitted to practice in the U.S. District Court for the District of Oregon and in the U.S. Tax Court. I am also permitted to practice before the Securities and Exchange Commission ("SEC"), and have not been prohibited from practice thereunder. I am not now nor have I ever been the subject of an investigation, hearing or proceeding by the SEC, the U.S. Commodity Futures Trading Commission (CFTC), the Financial Industry Regulatory Authority (FINRA), or any other federal, state or foreign regulatory agency. I am not now nor have I ever been suspended or barred from practicing in any state or jurisdiction nor have I ever been charged in a civil or criminal case.

This opinion does not rely on the work of other counsel.

I have examined the corporate records, documents and such questions of law that I consider necessary or appropriate for purposes of rendering this Opinion Letter. In my review I have met with the Board of Directors and management of the Issuer and have relied upon the representations of management and officers whom I believe to be reliable sources. I have reviewed the Issuer's corporate records including the following:

June 17, 2022

- Quarterly Report - Company Information and Disclosure Statement including Financial Statements for the period ended March 31, 2021 (posted May 20, 2021)
- Quarterly Report - Company Information and Disclosure Statement including Financial Statements for the period ended June 30, 2021 (posted August 6, 2021)
- Quarterly Report - Company Information and Disclosure Statement including Financial Statements for the period ended September 30, 2021 (posted November 13, 2021)
- Annual Report - Company Information and Disclosure Statement including Financial Statements for the year ended December 31, 2021 (posted March 25, 2022)
- Quarterly Report - Company Information and Disclosure Statement including Financial Statements (as amended) for the period ended March 31, 2022 (posted June 15, 2022)

In my review I have relied upon the representations of management and officers of the Issuer and on publicly available information regarding the Issuer including financial statements listed above.

I have communicated with David Lovatt, who is the current CEO/CFO and a member of the Board of Directors, and all of the information I requested as a basis for this opinion has been provided to me. I believe the sources of information reviewed are reliable. In addition, I have reviewed the definition of current information set forth in SEC Rule 144(c)(2) under the Act ("Other Public Information") as well as the relevant provisions of Rule 15c2-11 of the Securities Exchange Act of 1934 (the "Exchange Act"), and the OTC Markets Group's Pink Basic Guidelines for Providing Adequate Current Information, In my opinion, the information provided:

(A) constitutes "adequate public information" concerning the Securities and the Issuer and "is available" within the meaning of Rule 144(c)(2) of the Act;

(B) includes all of the information that a broker-dealer would be required to obtain from the issuer to publish a quotation for the Securities under Rule 15c2-11 under the Exchange Act;

(C) complies as to form with the OTC Markets Group's Pink Basic Guidelines for Providing Adequate Current Information, which is located at:

www.otcmarkets.com

and

(D) has been posted through the OTC Disclosure and News Service.

The Issuer represents that it is not a "shell" corporation as defined in Rules 405 of the Securities Act of 1933 and 12b-2 of the Exchange Act of 1934 as of the quarter ended September 30, 2021. It has made that determination, with reference to Rules 405 and 12b-2, because, during that quarter, it began its website design and development activities for the business and began product development as well as active discussion

with joint venture partners. The Issuer filed a Supplemental Information Notice on May 25, 2022, announcing this change and explaining in detail the reasoning for it.

The financial statements for the Issuer for these periods were the responsibility of David Lovatt, the current CEO/CFO, Wheat Ridge, Colorado. These financial statements have not been audited or presented as such. They were prepared by Mr. Lovatt. For the quarters ended March 31, 2021 and June 30, 2021, Mr. Lovatt was assisted by Mr. Richard Edelson, who is an accountant whose business address is 10 Lawrence Road, Kings Park, New York 11754. The transfer agent for the Issuer is Direct Transfer (Issuer Direct), 1 Glenwood Avenue, Suite 1001, Raleigh, NC 27603. The transfer agent is registered with the SEC. I have requested and obtained a copy of the shareholders' list provided to me by management and have confirmed that the number of shares issued is consistent with the corporate records of the Issuer. I have reviewed the disclosure documents currently published on ottcm Markets.com for this Issuer, and have personally reviewed the information published by the Issuer on OTC Markets News Service, and have discussed the information with management.

On April 22, 2022, the Issuer engaged the services of TD Media, Inc., 1596 N. Coast Highway 101, Encinitas, CA 92024 to assist the Company in raising awareness about the company and to provide comprehensive digital media marketing campaigns for the Company. They were to provide services in digital media, marketing strategies, advertising and awareness campaigns. They held no prior interest in the Company and received no stock or promise of arrangement to receive stock in the future as compensation. Their only compensation was in U.S. dollars. This engagement was announced in a press release on April 22, 2022 and the Company has always made an effort to be as transparent as possible in its dealings and to avoid anything that might be construed as an unacceptable "promotional" type of activity. The Company does not know if the Caveat Emptor designation had anything to do with the engagement of TD Media, Inc., although the timing is interesting, or if anything they did constituted prohibited "promotional" activity. Nonetheless, upon learning of the Caveat Emptor designation, that activity was stopped.

Additionally, no other party has had any involvement in preparation of Disclosure Statements or Financial Statements other than those persons disclosed in those statements.

The current company management is not aware of any other activity by any other party that could be construed as promotional activity with regard to its publicly traded stock. I have made specific inquiry of David Lovatt and Leonard Armenta, the only current officers or members of the Issuer's Board of Directors and the only parties in any position of

June 17, 2022

authority with the Issuer. They have indicated that they are not aware of any promotional activity involving the Issuer's public stock at any time relevant to this opinion, including any activity by TD Media, Inc. Based on such inquiries and other information available to me, any sale of the Company's stock by insiders within the twelve month period prior to this opinion have been made in compliance with Rule 144, including, without limitation, any required filings of Form 144, and nothing has come to my attention indicating that any of the insiders is in possession of any material non-public information regarding the Issuer or the Securities that would prohibit any of them from buying or selling the Securities under Rule 10b-5 or 10b5-1 under the Exchange Act.

I have confirmed with management that management is not aware of any investigation of the Issuer or of any beneficial owner, officer, director or legal counsel of the Issuer by any federal or state regulatory authority, including the SEC. After a review of documents as set forth above, and consultation with management, it is my opinion that the information presently being provided by the Issuer to OTC Markets Disclosure and News Service in the Financial Reports and Disclosure Information constitutes adequate current public information concerning the Issuer within the meaning of Rule 144(c)(2) of the Act.

OTC Markets, Inc., is entitled and authorized to rely upon this letter in determining whether the Issuer has made adequate information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933. No person other than OTC Markets, Inc., is entitled to rely on this letter, but full permission is granted to OTC Markets, Inc., to publish this letter through the OTC Disclosure and News Service for viewing by the public and regulators.

Sincerely,
