Letter of Direction

Attn: To Whom It May Concern

I, David A. Bryant, the Chairman and CEO of Buyer Group International, Inc. would like to direct the transfer agent, Securities Transfer Corporation, to reduce my shares in the amount of 1,372,940,118 shares held in my name back to the Authorized but unissued Account. The goal is to reduce the Issued and Outstanding after this cancellation should reflect 10 Billion shares even.

Sincerely,

A handwritten signature in black ink, appearing to read "David A. Bryant", with a long horizontal flourish extending to the right.
