NOTES TO UNAUDITED FINANCIAL STATEMENTS

For The Period Ended June 30, 2022

NOTE 1: THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES

The Company

Sack Lunch Productions, Inc. (SAKL or Issuer) is an action-oriented events and entertainment company providing immersive experiences that bring families, friends and communities together through licenses, corporate hosted, and managed events across the U.S. and Canada.

Item 1. Basis of presentation

The unaudited consolidated financial statements of the Company have been prepared in accordance with the U.S. Generally Accepted Accounting Principles ("U.S. GAAP").

Item 2. Cash and Cash Equivalents

Due to limited operations, there has been minimal change in our cash or cash equivalents. Our balances are FDIC insured.

Item 3. Management's Discussion and Analysis or Plan of Operation.

Management's Discussion and Analysis of Financial Condition and Results of Operations or Plan of Operations, which we refer to as MD&A, is intended to help the reader understand Sack Lunch Productions, Inc., our operations and our present business environment. MD&A is provided as a supplement to, and should be read in conjunction with, our financial statements and the accompanying notes for the period ended December 31, 2021.

As a result of the world-wide COVID-19 pandemic the Issuer either directly or through its licensees has been unable to successfully host any large-scale events which by their nature required large gatherings of people. A handful of events have been hosted over the last 12 months with limited success. On November 23, 2021, the Issuer entered into two new licensing agreements in which a new licensee is set to host upwards of 30 events in 2022. Our prior licensees, abandoned their licensing agreements due to the financial duress created as a result of their inability to sell tickets or host events during the pandemic.

The Issuer's plan of operations is to continue its efforts to obtain additional licensees that will operate its events for a percentage of gross revenues generated from ticket sales. The Issuer intends to expend its efforts over the next year on eliminating debts where possible and simplifying its capital structure. The Issuer will have to raise capital in order to accomplish its goal of eliminating sufficient debts. Once the Issuer is able to settle its largest creditors, the Issuer will shift its efforts to growing its event business via licensing agreements and acquisition of additional event companies or other synergistic businesses.

Item 4. Legal Proceedings.

The Issuer became aware of an article on July 28, 2022, stating that the State of North Carolina obtained a judgment against the Issuer and its former subsidiary, The Lantern Fest Productions, Inc. (LFP), for \$80,607 in restitution and \$7,965,000 in civil penalties. The judgment was obtained in March of 2019 stemming from failed events in the State of North Carolina due to a change in the fire code which occurred after most tickets were sold and after LFP expended significant resources to host the events.

Upon further analysis of the suit, the Issuer believes that the State of North Carolina did not have jurisdiction over the Issuer because the Issuer has never conducted any business in the State of North Carolina or

otherwise had any contact with the State of North Carolina. The default judgment alleges that LFP and the Issuer operated as a single commercial enterprise which the Issuer disputes. LFP always operated as an independent company and followed all relevant corporate formalities which isolated its liabilities from SAKL. SAKL did conduct business in the State of North Carolina as a single enterprise, or have any known contacts with the State of North Carolina. LFP was involuntarily dissolved and no longer exists and was not carried as a consolidated entity for the relevant reporting periods. Therefore, the Issuer's position is that the default judgment is invalid as to the Issuer.

The Issuer's offices identified in the court filings were closed around April of 2018. Nearly all of the Issuer's staff was terminated prior to December 31, 2017. LFP ceased operations just prior to December 31, 2017. The default judgment shows a hand written date of July 10, 2019, in regards to the civil penalty award. The CEO and sole officer of the Issuer has no recollection of ever being served with the default judgment.

The Issuers plan is to offer to settle the debt for no more than \$10,000, or file a complaint seeking to overturn the ruling based upon lack of jurisdiction. No attempt to collect has been made by the State of North Carolina to collect that the Issuer is aware on the default judgment.

It should be noted that the complaint was disclosed as a subsequent event for the period ending September 30, 2017, filed with OTC Markets on March 15, 2018 and in the Issuer's Regulation A+ filing with the Securities and Exchange Commission. As a result of the Issuer's elimination of its in-house accounting, legal and other staff changes, the lawsuit was overlooked in subsequent filings when the Issuer brought its filings current on approximately three years later on September 3, 2021.

Item 5. Defaults on Senior Securities.

None.

Item 6. Other Information.

On March 12, 2018, the Issuer sold its interest (90% plus) in Green Endeavors, Inc. (GRNE) the parent company of its Landis Salons operations. The sale was consummated to further streamline operations as well as to eliminate over a \$1M worth of liabilities that have historically been consolidated on the SAKL balance sheet. The shares in GRNE were sold for \$100,000 in the form of a cash payment to a secured creditor of SAKL. GRNE showed recurring losses and a negative net worth. A series of transactions occurred which eliminated all intercompany balances

During 2018, the Issuer dissolved or otherwise disposed of all of its remaining subsidiaries. As a result of dissolving or disposing of all of its remaining subsidiaries, all intercompany receivables and payables were eliminated. All liabilities that were reported each subsidiary were consequently eliminated from the Issuer's consolidated balance sheet. The Issuer has retained and maintained the Trademarks for several of the events. All Trademarks, social media sites and other intangible assets were written to \$0.

On May 11, 2020, The Securities and Exchange Commission filed a complaint against TCA Global Master Credit Fund, LLC for fraud (TCA). TCA is currently in receivership while the SEC continues its investigation of TCA. TCA is the largest creditor of the Issuer. It is the Issuer's position that TCA's actions with regard to the convertible debt financing were obtained under fraudulent pretenses. For instance, TCA fraudulently claimed that it would provide consulting services to the Issuer as part of their fraudulent scheme to inflate the value and returns of their fund, but never had any intention to provide such services. The value of those services are a material portion of the debt financing. Furthermore, at every turn, TCA impeded Issuer's effort to acquire other operations or obtain more beneficial financing terms intentionally causing further damage to the Issuer. TCA used the terms of its illegal agreements to force the Issuer through means of financial duress into ever more disadvantageous settlement agreements. Sold portions of its notes to unscrupulous entities which converted and sold shares of the Issuer into the open market in a fashion which further damaged the Issuer. The Issuer upon obtaining sufficient resources intends to take action against TCA and explore cost effective options which would

allow the note to be written off by operation of law. In any case, the Issuer has good reason to believe that Trustee over TCA will not convert any portion of the TCA into shares of common stock for legal and other practical reasons. The Issuer has reason to believe based upon the Issuer's current financial resources that the TCA note will eventually be extinguished through court order or will be able to be written off as a result of the statute of limitations tolling on TCA's or the Trustee's ability to collect on the debt. The Issuer during the fourth quarter made contact with the Trustee with the intent of settling the debt for no more than cost of litigation. The Trustee has yet to respond.

On February 7, 2022, the Issuer entered into a Settlement Agreement with Tangiers Global LLC to issue Five Million Five Hundred Thousand (5,500,000) shares of its common stock as settlement in full for the entire outstanding balance owed and any claims Tangiers may have had against the Issuer. The Issuer agreed to release Tangiers for any claims it may have had against it and also agreed to convert all Series A, C and D shares of Preferred stock pursuant to their respective certificates of designation into shares of restricted common stock as part of the settlement terms. Tangiers further agreed to pay for all transfer agent costs associated with the above issuances which are set at \$12,500. The above transactions were effectively completed at March 11, 2022. Any shares not redeemed by the respective preferred holders will be held for up to 6 years at which time such shares will be returned to the Issuer's treasury.

On February 10, 2022, the board of directors determined by unanimous written consent to effect the following actions: 1. Redeem all outstanding shares of Series C Preferred Stock ("Series C Preferred"), effective March 11, 2022 ("Redemption Date"), by converting each share of Series C Preferred into shares of the Company's common stock ("Common Stock"), each Series C Preferred share equal in value to Five Dollars (\$5.00), at a conversion price of \$0.064 ("Conversion Price"), as determined by the closing price of the Common Stock on the OTC Markets Pink Sheets Current Information quotation platform on February 9, 2022. 2. Instruct Standard Registrar & Transfer Co., Inc. ("Transfer Agent") to issue that number of shares of Common Stock, based on the Conversion Price, sufficient to redeem all outstanding shares of Series C Preferred, to be held on deposit by the Transfer Agent, with irrevocable instructions to deliver, on or after the Redemption Date, the Common Stock to the holders Series C Preferred on surrender of their respective share certificates. 3. Extinguish the Series C Preferred designation on the Redemption Date.

On February 10, 2022, the board of directors determined by unanimous written consent to effect the following actions: 1. Redeem all outstanding shares of Series A Preferred Stock ("Series A Preferred"), effective March 11, 2022 ("Redemption Date"), by converting each share of Series A Preferred into shares of the Company's common stock ("Common Stock"), each Series A Preferred share equal in value to Ten Dollars (\$10.00), at a conversion price of \$0.064 ("Conversion Price"), as determined by the closing price of the Common Stock on the OTC Markets Pink Sheets Current Information quotation platform on February 9, 2022. 2. Instruct Standard Registrar & Transfer Co., Inc. ("Transfer Agent") to issue that number of shares of Common Stock, based on the Conversion Price, sufficient to redeem all outstanding shares of Series A Preferred, to be held on deposit by the Transfer Agent, with irrevocable instructions to deliver, on or after the Redemption Date, to the holders of Series A Preferred on surrender of their respective share certificates. 3. Extinguish the Series A Preferred designation on the Redemption Date.

On March 10, 2022 the Issuer entered into a Settlement Agreement with Mammoth Corporation, the sole holder of the Issuer's Series D Preferred shares, on March 10, 2022. The terms of the agreement call for the issuance of Nine Million Five Hundred Thousand (9,500,000) shares or 9.9% of total issued and outstanding shares of the Issuer's restricted common stock in exchange for the redemption of all Series D Preferred shares and the resolution of any claims Mammoth may have against the Issuer regarding the cancellation of certain convertible notes transferred from TCA Global Master Credit Fund LLC (TCA) to Mammoth. The Issuer has issued the shares effective as of March 31, 2022 and has deemed the transaction closed as of that date.
