5) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. In answering this item, please include the following:

- A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

In the past, the primary operations was Business Consulting and Real Estate. However, with this Merger / Reorganization, TAYO is now in the Oil & Gas Midstream business with a focus on acquiring distressed oil and gas properties. By leveraging legacy, displaced and stranded gas production, TAYO aims to convert the gas production to cryptocurrency with a goal of being a carbon neutral operation. TAYO has access to approximately 100 miles of pipelines and has partnering opportunities with gas suppliers. TAYO also has proprietary IP for its mining operations.

⁴ The financial statements requested pursuant to this item must be prepared in accordance with US GAAP or IFRS by persons with sufficient financial skills.

B. Please list any subsidiaries, parents, or affiliated companies.

Gordon Industries, LLC along with its various subsidiaries or affiliated companies.

C. Describe the issuers' principal products or services.

Oil and Gas Midstream business searching for potential oil and gas acquisitions, mergers, etc. that have stranded gas production that we can use to convert the gas production to cryptocurrency

6) Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer and the extent in which the facilities are utilized.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.

The main office consists of several offices, two conference rooms and reception area to accommodate staff and complete business activities. A separate area of space is dedicated to product, storage, packaging, machines, tables, and shipping supplies. It is well equipped with desks, computers, furniture, chairs, telephones, printers, copier, fax machine, cabinets, and office supplies. The Company owns all furniture and fixtures.

Through this merger with Gordon Industries, LLC, its subsidiary, the company now owns pipelines, gathering systems, and associated deeds, easements, rights of ways, leases and permits, as well as various oil and gas wells throughout the State of Texas.

7) Company Insiders (Officers, Directors, and Control Persons)

The goal of this section is to provide an investor with a clear understanding of the identity of all the persons or entities that are involved in managing, controlling or advising the operations, business development and disclosure of the issuer, as well as the identity of any significant or beneficial shareholders.

Using the tabular format below, please provide information, as of the period end date of this report, regarding any person or entity owning 5% or more of any class of the issuer's securities, as well as any officer, and any director of the company, or any person that performs a similar function, regardless of the number of shares they own. **If any insiders listed are corporate shareholders or entities, provide the name and address of the person(s) beneficially owning or controlling such corporate shareholders, or the name and contact information (City, State) of an individual representing the corporation or entity in the note section.**
