Notes to the Financial Statements
June30, 2022
(Unaudited)

NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS

Sakha Enterprises Corp. (the "Company") is a Wyoming registered company. The Company was incorporated in 2000.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Company's unaudited financial statements have been prepared in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP"), and pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC") and reflect all adjustments, consisting of normal recurring adjustments, which management believes are necessary to fairly present the financial position, results of operations and cash flows of the Company as of and for the six month period ending June 30, 2022 and not necessarily indicative of the results to be expected for the full year ending December 31, 2022.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of credit risk

Financial instruments which potentially subject the Company to concentration of credit risk consist of cash deposits and customer receivables. The Company maintains cash with various major financial institutions. The Company performs periodic evaluations of the relative credit standing of these institutions. To reduce risk, the Company performs credit evaluations of its customers and maintains reserves when necessary for potential credit losses.

Cash and cash equivalents

We consider all highly liquid securities with original maturities of three months or less when acquired to be cash equivalents. There were no cash equivalents as of June 30, 2022 and December 31, 2021.

Recent Accounting Pronouncements

The Company has implemented all applicable accounting pronouncements that are in effect. These pronouncements did not have any material impact on the financial statements unless otherwise disclosed, and the Company does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

NOTE 3 - GOING CONCERN

The accompanying unaudited financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company has no revenue and has accumulated a deficit as of June 30, 2022. The Company requires capital for its contemplated operational and marketing activities. The Company's ability to raise additional capital through the future issuances of common stock is unknown. The obtainment of additional financing, the successful development of the Company's contemplated plan of operations, and its transition, ultimately, to the attainment of profitable operations are necessary for the Company to continue operations. These conditions and the ability to successfully resolve these factors raise substantial doubt about the Company's ability to continue as a going concern. The financial statements of the Company do not include any adjustments that may result from the outcome of these uncertainties.

NOTE 4 – RELATED PARTY TRANSACTIONS

During the year ended December 31, 2021, Richard Chiang, CEO, advanced the company \$8,300 to pay for general operating expenses. During the six months ended June 30, 2022, Mr. Chiang advanced the Company an additional \$10,301. All advances were non-interest bearing and due on demand. During the six months ended June 30, 2022, Mr. Chiang forgave all amounts due to him resulting in a credit to additional paid in capital of \$18,601. As of June 30, 2022, the Company owes Mr. Chiang \$0.

NOTE 5 – PREFERRED STOCK

Each share of Series A Preferred stock has voting rights of 1,000 common shares.

In April 2021, UmarkhonToktabaev, transferred his 100,000 shares of preferred stock to Tech Associates Inc. In May 2022, Tech Associates Inc. transferred its shares of preferred stock to Rafex Pty Ltd.

NOTE 6– SUBSEQUENT EVENTS

In accordance with SFAS 165 (ASC 855-10) management has performed an evaluation of subsequent events through the date that the financial statements were issued and has determined that it does not have any material subsequent events to disclose in these financial statements.
