

SUPPLEMENTAL INFORMATION REPORT

On September 29, 2021 AgriSolar Solutions, Inc., a Colorado corporation ("AgriSolar") entered into a merger agreement with APE Titan NRG, Inc. ("Titan"), pursuant to which Titan would merge with AgriSolar. The merger was completed on February 3rd, 2022. According to the terms of the Merger Agreement between the parties the Titan shareholders transferred all their outstanding shares of common stock to AgriSolar in consideration for one share of common stock of AgriSolar for each share of common stock of Titan. Following the merger, the surviving corporation is domiciled in the State of Wyoming, and the name was changed to Titan NRG, Inc.

The surviving company acts as a downstream energy company, operating through its subsidiaries.
