5) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. In answering this item, please include the following:

- A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

As of April 1st, 2022, we are an active technology company initially focused on "smart energy harvesting" products through innovation.

- B. Please list any subsidiaries, parents, or affiliated companies.

N/A

- C. Describe the issuers' principal products or services.

EGYF is an innovation company in the field of nanotechnology that specializes in developing "intelligent" based solutions for clean energy, environment and mission-critical applications primarily in the Infrastructure, Energy & Environment sectors in global markets. Our core focus is to identify and develop solutions to solve some of the world's major problems and to commercialize those solutions through licensing and/or joint venture agreements with industry partners. We plan to receive the bulk of our revenue streams through IP licensing of our technologies.

This business model enables us focus on our core competencies, technology innovation and leveraging our industry partners to accelerate their business through partnerships. Our business model is to leverage sales channels for these products and technologies in cooperation with industry partners and our affiliates. Our objective is to commercialize such technologies whilst our affiliates and partners will develop these technologies into finished products through OEM Agreements.

6) Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer and the extent in which the facilities are utilized.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.

As of April of 2022, we have 2 Year lease with “Regus Management Group LLC” for our office space in South East, Washington DC. This lease can be terminated by providing written notice at least 90 days prior to departure or by paying the equivalent of three months’ rent valued at (\$4,290.00) as of July of 2022.

7) Company Insiders (Officers, Directors, and Control Persons)

The goal of this section is to provide an investor with a clear understanding of the identity of all the persons or entities that are involved in managing, controlling or advising the operations, business development and disclosure of the issuer, as well as the identity of any significant or beneficial shareholders.

Using the tabular format below, please provide information, as of the period end date of this report, regarding any person or entity owning 5% or more of any class of the issuer’s securities, as well as any officer, and any director of the company, or any person that performs a similar function, regardless of the number of shares they own. **If any insiders listed are corporate shareholders or entities, provide the name and address of the person(s) beneficially owning or controlling such corporate shareholders, or the name and contact information (City, State) of an individual representing the corporation or entity in the note section.**

ITEM III FINANCIAL STATEMENTS AND NOTES

Notes to Financial Statements

NOTE 1 – THE COMPANY AND ITS SIGNIFICANT ACCOUNTING POLICIES

Energy Finders Inc. is a U.S. based company whose activities relate to R&D in the protection of critical assets using Nano and other advanced technological sensors, and including licensing technologies from existing companies.

The Company is a development stage company and seeks out potential business opportunities. The Company has no revenues and currently has limited operations. The company does however have exclusive access to innovative technologies that can be applied in numerous sectors, including O&G, defence and utilities.

Neither the company nor its predecessors have been in bankruptcy, receivership or similar proceedings. The Company's registered office is located at 15 Calthorpe Road, Edgbaston, Birmingham, B15 1TS, United Kingdom and its registered and records office is located at the same address. The principal place of business is located at 100 M Street SE Washington DC 20003, USA

NOTE 2 – BASIS OF PRESENTATION

The accompanying unaudited financial report has been prepared from the records of the Company and from other information supplied by management. These financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS"), as issued by the International Accounting Standards Board ("IASB") and Interpretations of the International Financial Reporting Interpretations Committee ("IFRIC"). The Company believes that the disclosures contained herein are adequate to make the information presented not misleading.

The financial statements have been prepared on a going concern basis, which contemplated the realization of assets and satisfaction of liabilities in the normal course of business.

The financial statements do not include adjustments relating to recoverability and classification of recorded assets amounts, or the amounts and classifications of liabilities.

No broker or dealer or any associated person is affiliated, directly or indirectly with the issuer.

The disclosure statements and any quotation are not being published or submitted on behalf of any other broker or dealer.

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Accounting Method

The Company's financial statements are prepared by using the accrual method of accounting, except for cash flow information. The Company has a March 31 fiscal year-end.

b. Accounts Receivable

The Company does not have any uncollectible accounts and as of June 30, 2022 there were no doubtful accounts.

c. Administration Costs

Administration costs are written off to operations when they incurred.

d. Property and Equipment

Property and equipment are carried at cost. Depreciation and amortization are reported at the end of each fiscal quarter.

e. Repair and Maintenance

Expenditures for repairs and maintenance are charged to expense as incurred.

f. Translation of Foreign Currency

The financial statements are presented on a U.S. dollar basis. At each balance sheet, assets and liabilities that are denominated in a currency other than U.S. dollars are adjusted to reflect the current exchange rate which may give rise to a foreign currency translation adjustment accounted for as a separate component of shareholders' equity.

The assets, liabilities, and operations of the Company are expressed in the U.S. Dollar, in conformity with accounting principles.

Monetary assets, fixed assets, liabilities, capital accounts, and expenses are translated at the mid-rate exchange at the invoice date of the transaction, or end of each quarter mid-point if the assets are carried forward.

The realized gain or loss from foreign currency transactions is reported within administration costs.

g. Use of Estimates

These financial statements reflect adjustments of which are, in the opinion of management, necessary to provide a fair statement of the results of operations and financial position.

h. Earnings (Income\Loss) per Common Share

Basic income\loss - earnings per share ("EPS") is computed as net income (loss) divided by the weighted-average number of common shares outstanding for the period. Diluted EPS reflects the potential dilution that could occur from common shares issuable through stock-based compensation plans including stock options, restricted stock awards, stock purchase agreements, stock subscriptions not fully paid, warrants and other convertible securities which are anti-dilutive. As the Company does not have any such dilutive shares, diluted EPS is the same as basic EPS.

i. Cash and Cash Equivalents

The Company's policy is to consider cash and cash equivalents to consist of checking accounts, money market accounts or certificates of deposit having maturity dates of 180 days or less.

Cash is represented by funds on deposit with the Company's banks and is unrestricted as to use. The Company reported \$48,860 in cash and cash equivalents on June 30, 2022.

j. Financial Instruments

The Company's financial instruments consist of cash, accounts payable, other payables and long-term loans from third parties. It is management's opinion that the Company is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximates their carrying values.

k. Income Taxes

The Company records its federal and state income tax liability as it is incurred.

NOTE 4 – CURRENT AND LONG-TERM LIABILITIES

Current liabilities are reported as accounts payable and other payables and totalled \$111,015.
