**GREENE CONCEPTS, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**OCTOBER 31 2022**  
**(UNAUDITED)**

**NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES**

**A. ORGANIZATION AND OPERATIONS**

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of Greene Concepts, Inc. (the Company) is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Nature of Operations

Greene Concepts, Inc. is headquartered in the City of Fresno, California and has been in service for fifty-eight years. The Company manufactured and distributed a line of 25 high quality consumer focused inkjet kits. The Company has recently divested itself of these operations and have acquired a facility that will be focused on production of a variety of beverage product lines including, but not limited to CBD infused beverages, spring and artesian water, as well as enhanced athletic drinks in addition to other product offerings. The Company has prepared these financial statements on the accrual basis of accounting.

**B. BASIS OF ACCOUNTING**

The Company utilizes the accrual method of accounting, whereby revenue is recognized when earned and expenses when incurred. The unaudited financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information. As such, the financial statements do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments considered necessary for a fair presentation have been included and these adjustments are of a normal recurring nature. The results of operations for the Three months ended October 31, 2022 and 2021 are not necessarily indicative of the results for the full fiscal year ending July 31, 2022.

**C. USE OF ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

**D. CASH AND CASH EQUIVALENTS** Cash and cash equivalents include cash on hand; cash in banks and any highly liquid investments with maturity of three months or less at the time of purchase. The Company maintains cash and cash equivalent balances at several financial institutions, which are insured by the Federal Deposit Insurance Corporation up to \$250,000.

**E. FIXED ASSETS** Fixed assets are carried at cost. Depreciation is computed using the straight-line method of depreciation over the assets estimated useful lives. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of fixed assets are sold or retired, the related cost and accumulated depreciation is removed from the accounts and any gain or loss is included in income. In February, 2019 the Company acquired Mammoth Ventures Inc. which included all assets owned by Mammoth including the Marion, North Carolina facility and all bottling equipment and other assets formerly known as the North Cove Springs Bottling and Beverage from BNL Capital LLC

**F. COMPUTATION OF EARNINGS PER SHARE**

Net income per share is computed by dividing the net income by the weighted average number of common shares outstanding during the period.

**F. INCOME TAXES**

In February 1992, the Financial Accounting Standards Board issued Statement on Financial Accounting Standards 109 of "Accounting for Income Taxes." Under Statement 109, deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases.

	<b>As of October 31, 2022</b>	<b>As of October 31, 2021</b>
Net operating loss carryforward	(6,827,460)	(5,082,064)
Valuation allowance	(6,827,460)	(5,082,064)
	<hr/>	<hr/>
Net deferred tax assets	\$ -	\$ -
	<hr/>	<hr/>

A reconciliation of the statutory federal income tax rate to the Company's effective tax rate is as follows:

**GREENE CONCEPTS, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**OCTOBER 31, 2022**  
**(UNAUDITED)**

	<b>For the Three Months ended October 31, 2022</b>	<b>HR</b>	<b>For the Three Months ended October 31, 2021</b>
Expected federal statutory rate	(21)%		(21)%
State Effect on tax rate, net of federal benefit	(4.35)%		(4.35)%
Change in valuation allowance	25.35%		25.35%
Income tax provision (benefit)	1,730,761		1,288,303

The Company, after considering all available evidence, fully reserved its deferred tax assets since it is more likely than not that such benefits may be realized in future periods. The Company has not yet established that it can generate taxable income. The Company will continue to evaluate its deferred tax assets to determine whether any changes in circumstances could affect the realization of their future benefit. If it is determined in future periods that portions of the Company's deferred tax assets satisfy the realization standards, the valuation allowance will be reduced accordingly.

**G. REVENUE RECOGNITION**

Revenue for license fees is recognized upon the execution and closing of the contract for the amount of the contract. Contract fees are generally due based upon various progress milestones. Revenue from contract payments are estimated and accrued as earned. Any adjustments between actual contract payments and estimates are made to current operations in the period they are determined.

**H. FAIR VALUE OF FINANCIAL INSTRUMENTS**

Statement of Financial Accounting Standards No. 107, "Disclosures about Fair Value of Financial Instruments", requires disclosures of information about the fair value of certain financial instruments for which it is practicable to estimate the value. For purpose of this disclosure, the fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced sale or liquidation. The carrying amounts reported in the balance sheet for cash, accounts receivable, inventory, accounts payable and accrued expenses, and loans payable approximate their fair market value based on the short-term maturity of these instruments.

### NOTE 3- SUBSEQUENT EVENTS

The Company began sourcing line parts to produce gallon jugs with the commitment from an established national brand to deliver a white-label product (water produced at [SINKW](#) for another company) in gallon sizes.

Greene Concepts launches its Happy Mellow Immune Support CBD beverage on website happymellow.com. The flavors offered are:

1. *Lemon-Lime “Be Energized” with Caffeine and Vitamin D-3*
2. *Plum Punch “Be Balanced” with Vitamin B-12*
3. *Blood Orange Acai “Be Well” with Vitamin C*

Due to a multitude of retailer requests, the Company has designed and sourced the requisite materials to create 6-pack and 12-pack premium branded configurations. These packs will be made available in addition to our existing 24-pack cases to provide retailers with several more SKUs of BE WATER

Greene Concepts hired National Sales Director, Brian Adkins, to lead the major retail expansion. With over 2 decades of experience in Consumer-Packaged Goods (CPG), many of those working with regional and national chains, Mr. Adkins is positioned well to make BE WATER a national household name.
