Dear Sir or Madam,

Re: Supplemental Information

Fuss Brands Corp. (the "Company") was previously as shell company, from approximately 2013 until March 2, 2023, as the Company was dormant and had no or little operations.

The Company's status as a shell company has changed. As of March 1, 2023, the Company entered into a buying agency and sourcing services agreement (the "Agreement") with Inter Mutagim Shivuk Vehafatsa Ltd., an Israeli company ("IMSV"). Pursuant to the Agreement, the Company engaged IMSV to source and buy certain non-U.S. produced suitcases with various technology capabilities throughout the People's Republic of China, which the Company shall then sell to RoomWagon, LLC, for \$925,000, pursuant to a previous purchased order.

Based on the obligations and rights in the Agreement, the Company is undertaking more than nominal operations. This has been reported in a Form 8-K, filed with the Securities and Exchange Commission on March 2, 2023. This will be further confirmed in the financial statements to be included in the upcoming Quarterly Reports for the periods ended January 31, 2023, and April 30, 2023 to be published on the OTC Markets.
