#### NOTE 2 – GOING CONCERN

The accompanying financial statements have been prepared assuming that the Company will continue as a going

concern, which contemplates continuity of operations, realization of assets, and liquidation of liabilities in the normal course of business.

While the Company is attempting to commence operations and generate revenues, the Company's cash position may not be significant enough to support the Company's daily operations. Management intends to raise additional funds by way of a public or private offering. Management believes that the actions presently being taken to further implement its business plan and generate revenues provide the opportunity for the Company to continue as a going concern. While the Company believes in the viability of its strategy to generate revenues and in its ability to raise additional funds, there can be no assurances to that effect. The ability of the Company to continue as a going concern is dependent upon the Company's ability to further implement its business plan and generate revenues.
