NOTE 4 – LOANS AND CREDIT ADVANCES

On February 3, 2022, the Company closed on a fixed rate note of \$140,000 with BHG. The majority of these proceeds were used to refinance and consolidate the debt accumulated during the construction and buildout of the Palm Harbor location and Carrollwood locations that took place in Q3 & Q4 2021.

On January 19, 2022, the Company closed out the Crowd Funding campaign from Honeycomb Credit. The final note from Honeycomb was \$18,130 and interest only payments are being made from the operational account of The Pretzel Haus.

On June 8, 2021, the Company closed on a fixed rate \$500,000 note with Mammoth Corporation. The Company received the initial tranche of \$50,000 on June 3, 2021, and, upon consent of the lender, the Company will be able to access additional funds on the same terms up to \$500,000. This note is not convertible into common stock unless there is a default on the monthly installment payments. The Company also negotiated that with each tranche, the installment payments are deferred 90 days to allow for a buildout period of each future Pretzel Haus location.

The management of the Company has reviewed the \$700,000 loan with TCA Global Credit Fund. TCA Global Credit Fund was placed under the receivership of Jonathan E Perlman for the estates of the Receivership Entities and retained Genovese Joblove & Battista as counsel. The Company provide information to the SEC related to the distribution of the TCA funds. It is the opinion of the current management of the Company that TCA Management is responsible for not performing their due diligence and distributed funds to individuals and companies who did not contribute to future growth of the Company as the use of proceeds paid previous debts and would not create a viable pathway to build a business with the ability to repay the debt. It is the opinion of the current Management that the debt should be eliminated, and Genovese Joblove & Battista pursue legal action to recover the funds distributed from the TCA note from the entities identified in the disbursement letter dated June 14, 2016. The \$700,000 will remain as a debt until this is resolved with a formal elimination of the Debt by TCA Global Fund and their receivers per GAAP. It is estimated that of the \$700,000, \$54,458 of the proceeds were used to fund the ongoing and future operations of the Company and could be reasonably estimated to be a debt of the Company. As was communicated in previous press releases, the Company will continue to work with the SEC, State Attorney Generals, and any additional legal and official requests for information.
