SUPPLEMENTAL INFORMATION  
February 14, 2025

On June 30, 2024, Adia Nutrition Inc. (the "Company" or "Adia") acquired Biolete LLC.

Directly prior to the acquisition of Biolete LLC, Adia was and still is listed as a shell company.

The Company is changing its status and is no longer a Shell Company.

Immediately following the acquisition of Biolete LLC, Adia was no longer a Shell Company as defined in Rule 12b-2 under the Securities Exchange Act of 1934 as amended (the "Exchange Act")

The effective date of the change in Shell Company status is June 30<sup>th</sup> 2024.

The reason that the Company believes it is no longer a Shell Company is that Biolete LLC has substantial operations and assets. In addition, as of January 1, 2025 Adia has opened a medical clinic, under it wholly owned subsidiary, Adia Med of Winter Park LLC and has been seeing patients and generating revenues. Adia also has assets of over \$258,000 dollars as reflected in Adia's second quarter of 2024 Consolidated Balance sheet as filed with OTC. It is for the aforementioned reasons that the Company believes immediately following the Company's acquisition of Biolete LLC that it is no longer a Shell Company as defined by Rule 12b-2 under the Exchange Act.

Biolete's financials have been and will continue to be included as part of the Consolidated Financials for Adia's upcoming annual report for the period ending 12/31/2024.
