Lecere is a State of Minnesota company incorporated on March 26, 1986. The authorized capital of the corporation is 25,000,000,000 at no par value. As of the date of this letter and as confirmed by the Corporate Stock Transfer Inc. transfer agent on July 22, 2010, 16,642,643,245 shares are issued and outstanding.

The party responsible for preparation of the financial statements of the Issuer is: Dr. James Morris, CEO of the company. Dr. Morris engaged an independent accountant to prepare the actual financial statements, who is qualified to prepare such financial statements by virtue of 20 years of experience as a CPA and corporate controller. The financial statements have not been audited.

The Fiscal Year End for the corporation is December 31.

The Transfer Agent for Lecere is:
Corporate Stock Transfer, Inc.
3200 Cherry Creek Drive South, Suite 430
Denver, CO 80209
Ph: (303) 282-4800
www.corporatestock.com

The transfer agent is registered with the SEC. Information provided by the transfer agent as of July 22, 2010 was the source of confirmation of the shares outstanding of the Issuer.

Further, in inquiry of management and directors of the Issuer, to the best of counsel's knowledge neither the Issuer nor any person holding 5% or more of the stock company is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities law.

Lecere's sole executive officer and control person is Dr. James B. Morris, 519 SW Third Avenue, Suite 500, Portland, OR 97204. Dr. Morris holds 2,500,000,000 common stock shares for which the Issuer received \$250 from Dr. Morris. All of the common share certificates owned by Dr. Morris contain a legend stating that the securities have not been registered under the Securities Act and setting forth or referring to restrictions on transferability and sale of the securities. Mark Nishi, CPA of Camas, Washington assisted with preparation of financial statements for the Second Quarter 2010 Report. Mr. Nishi received no shares of Issuer for his services.

Dr. Morris prepared all press releases released by the Issuer. Lecere has contracted with OracleConsultants LLC of 2749 Holly St., Dearborn, Michigan to promote and provide press release activity for the company for cash compensation only, and OracleConsultants LLC not received any securities for its efforts. Counsel has made specific inquiry of each of the persons listed in the previous paragraph, promoters and persons owning more than ten percent (10%) of the Securities (collectively, the "Insiders"), and based upon such inquiries and other information available to counsel, no Rule 144 sales of the Securities were made by Insiders within the twelve-month period prior to the opinion. Nothing has come to the attention of counsel indicating that any of the Insiders is in possession of any material non-public information regarding the Issuer or the Securities that would prohibit any of them from buying or selling the Securities under Rules 10b-5 or 10b5-1 under the Exchange Act.

No person or party other than OTC Markets is entitled to rely upon this opinion. OTC Markets is however granted full and complete permission and rights to publish this letter in the OTC Markets Disclosure & News Service for viewing by the public and regulators.
